Jays Care Foundation, the charitable arm of the Toronto Blue Jays, uses baseball to teach life skills and create lasting social change for children and youth all across Canada. In 2023, Jays Care proudly impacted over 59,000 children and youth in every province and territory, running programs to level the playing field for Canadian kids facing barriers, including:

- Children and youth living with disabilities
- Indigenous children and youth
- Girls without access to sport
- Children and youth living at or below the poverty line

OUR NATIONAL PROGRAMS

CHALLENGER BASEBALL:

Challenger Baseball is Jays Care's adaptive baseball program, run in partnership with Little League Canada and Baseball Canada, specifically designed to empower children, youth, and adults living with physical and/or cognitive disabilities. The program teaches athletes living with disabilities the core life skills inherent to baseball, including teamwork, communication, determination, resiliency, inclusion, support, and courage. Challenger Baseball ensures every athlete has the opportunity to play in a fun and safe environment where they learn to become more independent, build confidence, improve their communication skills, and set and achieve their own personal goals.

GIRLS AT BAT:

Girls At Bat is an initiative designed to help girls across the country set lofty goals and pursue them with tenacity. Jays Care Foundation has partnered with communities, schools, and non-profit organizations to help increase female participation and retention in sport, using an eight to 12 week baseball and/or softball program as the vehicle. Partners apply to implement the program and receive robust training, coaching resources, equipment, some financial support, and remote and in-person support to launch and sustain their programs.

FIELD OF DREAMS:

To play is to learn! Field Of Dreams is Jays Care's granting program dedicated to baseball infrastructure development that provides a safe space for children and youth to develop life skills through sport. The Field Of Dreams program provides funding to design, refurbish, and build safe spaces for children and youth across Canada. Over the past 10 years, Jays Care has invested nearly \$15 million into 163 safe spaces across 10 provinces and two territories.

INDIGENOUS ROOKIE LEAGUE:

Using baseball as a tool to engage children, youth, and adults in regular inter-generational play, Indigenous Rookie League enhances connections between all community members through creating safe spaces for communities to join together and play. This program increases mental health outcomes for children and youth in Indigenous communities while providing opportunities for the sharing of culture and development of life skills.

RBI:

RBI is a baseball for development program based in schools across the country. Through working with local schools, school boards and organizations, RBI removes any barriers that students may face to participate in baseball. Participating schools receive trained coaches, equipment and uniforms so that students are fully prepared to participate in structured league play and championship tournaments. In the spring, students participate in weekly practices and games where they learn all of the basic rules, fundamentals, and life-lessons that come from the game of baseball. In the summer, students will receive daily baseball instruction and athletic play, along with a wide range of engaging activities.

CLUB OFFICERS

MARK SHAPIRO
PRESIDENT & CEO

Mark Shapiro is one of the few Major League Baseball executives that has experience in all facets of the game – baseball, business, and league operations – over the course of a career that spans more than 30 years.

Mark was appointed President & CEO of the Toronto Blue Jays in November 2015, a role that oversees the organization's business and baseball operations and represents ownership at the league level.

Mark is responsible for the expansion of the Blue Jays' systems and capabilities in several areas, including player development, high performance, strategy, and analytics. He has championed two significant capital projects in his tenure: upgrading the team's Spring Training home in Dunedin, FL with the Player Development Complex, an industry-leading performance facility; and the renovations to Rogers Centre, transforming the stadium to a ballpark. Under Mark's leadership,

the Blue Jays have reached the postseason four times: 2016, 2020, 2022, and 2023.

Mark's baseball career began in 1992 in Cleveland, where he spent 24 seasons. He joined Cleveland as an assistant in baseball operations and quickly progressed into a senior leadership role as Director of Minor League Operations, before becoming Vice President of Baseball Operations & Assistant General Manager in 1999. Mark was named Executive Vice President & General Manager in 2002 and held that position until he was appointed Team President in 2011.

Following both the 2005 and 2007 seasons, Mark was named the Sporting News "Executive of the Year," and was the only active General Manager in MLB at that time to win the award twice. In 2005, he was also named "Executive of the Year" by Baseball America.

Beyond his extensive work in the front office, Mark has been involved in key baseball initiatives at Major League Baseball for more than a decade. He currently sits on the league's Competition Committee; On Field Committee; Long-Term Strategic Planning Committee; and Revenue Sharing Definitions Committee. In addition, he is a member of the Board of Directors for Jays Care Foundation, the charitable arm of the Toronto Blue Jays.

A Baltimore native, Mark played four years of football at Princeton University, where he earned a bachelor's degree in history. He lives in Toronto with his family.

**EXECUTIVE VICE PRESIDENT, BASEBALL OPERATIONS
& GENERAL MANAGER**

Ross Atkins was named the seventh General Manager of the Toronto Blue Jays on December 3, 2015. Prior to that, he spent his entire professional career with the Cleveland Guardians' organization after being selected in the 38th round of the 1995 draft as a right-handed pitcher and joining Cleveland's front office in 2000 following his playing career. Ross spent 15 seasons in Player Development, most recently as Vice President of Player Personnel, overseeing all elements of Cleveland's Player Development system. He previously served as Director and then Vice President of Player Development from 2007 to 2010 and 2011 to 2014, respectively. His ascension in the Cleveland system also included three seasons (2004 to 2006) as the Director of Latin American Operations. Ross spent four years playing baseball for Wake Forest University where he received a bachelor's degree in economics and was a member of the ACC honor roll.

He now resides in Toronto with his wife, Christine, and their two daughters, Jane and Marita.

TORONTO BLUE JAYS OWNERSHIP

On March 26, 1976, the American League granted an expansion franchise to a group consisting of Labatt Breweries, Imperial Trust Limited and The Canadian Imperial Bank of Commerce. Both Labatt Breweries and Imperial Trust each controlled 45% of the team. The C.I.B.C. had the other 10% of the club. Imperial Trust was a holding company set up by the late R. Howard Webster, who was instrumental in the granting of the franchise in 1976. The Webster family still maintained their share of the ownership until selling their 45% to Labatt in November, 1991. The ownership then consisted of John Labatt Limited, 90% and Canadian Imperial Bank of Commerce, 10%. In June of 1995 John Labatt Limited was purchased by Interbrew S.A., Belgium's leading brewer.

In September of 2000, local ownership returned to the Toronto Blue Jays as Rogers Communications Inc. purchased 80% control of the franchise. John Labatt Limited (Interbrew) maintains a 20% interest while The Canadian Imperial Bank of Commerce relinquished their stake. In January of 2004 Rogers Communications Inc. acquired the remaining 20% of the Club. Rogers Communications Inc. now owns 100% of the Toronto Blue Jays Baseball Club.

On November 29, 2004, the Toronto Blue Jays reached an agreement with Sportsco International to acquire the former SkyDome. The purchase price for the stadium, now known as Rogers Centre, was approximately \$25 million (CDN).

STIEB'S NO-HITTER

SEPTEMBER 2, 1990 AT CLEVELAND — TORONTO 3, CLEVELAND 0

Dave Stieb chalked up his first no-hitter and the first in franchise history as he blanked the Cleveland Indians on a sunny Sunday afternoon at Cleveland Stadium before a crowd of 23,640.

The game ended as Cleveland's Jerry Browne sent a fly to right field where Junior Felix put the squeeze on it.

Stieb had a season-high nine strikeouts and walked four over his 122-pitch afternoon.

There were no tough plays and only a couple of well hit balls. The closest the Tribe came to a hit was Ken Phelps pulling a liner about three feet foul to open the 8th inning.

The Blue Jays and Stieb got their offensive support from Fred McGriff who hit two solo home runs, and from Manny Lee who doubled home Kenny Williams in the 5th inning.

Stieb had previously gone 8.2 innings, three times, protecting no-hitters. He had back-to-back attempts in September 1988: on September 24 at Cleveland Stadium, Julio Franco had a bad-hop single over second baseman Manny Lee's head. In his next start, September 30 vs. Baltimore at Exhibition Stadium, Jim Traber looped a single over first baseman Fred McGriff's outstretched glove hand. Both no-hit bids were lost on 2-2 pitches. Stieb also had a perfect game for 8.2 innings on August 4, 1989 vs. the Yankees at SkyDome. Roberto Kelly doubled to left to break it up.

1991 ALL-STAR GAME

The 1991 All-Star Game was played at SkyDome (now Rogers Centre) in Toronto on Tuesday, July 9, 1991. It was the first time that the game had been held in Toronto and just the second time that it had been held outside of the United States (Montreal in 1982). Three Blue Jays players were selected to participate in the 63rd All-Star Game: second baseman Roberto Alomar, outfielder Joe Carter and pitcher Jimmy Key. As well, Manager Cito Gaston was a coach and Tommy Craig was named AL trainer. 52,382 fans came to SkyDome to watch the action unfold in person and millions more watched and listened to the Midseason Classic on television and radio. 56 players from both the National and American Leagues came to Toronto to participate. Of those 56 players, 49 saw action as the American League defeated the National League by a 4-2 count. Toronto pitcher Jimmy Key was credited with the win in his second career All-Star Game appearance. Joe Carter was 1-for-1 with a run scored and Roberto Alomar went 0-for-4. It was the fourth consecutive win for the American League dating back to 1988.

BOSTON TEE OFF PARTY

The Toronto Blue Jays had a record-setting night on July 22, 2022 at Fenway Park in Boston. The Blue Jays beat their division rivals by a score of 28-5, setting franchise records in both hits (29) and runs. Additionally, their +23 run differential was also a franchise high for a single game, and nearly doubled their season mark to that point (+24 entering the night). They became the sixth team in the modern era (since 1901) to score at least 28 runs in a single game, two runs shy of the all-time record of 30 runs set by the Texas Rangers on Aug. 22, 2007 at BAL(1). Every starter in the Toronto lineup notched multiple hits and scored multiple runs, the first time that's been done in team history and the fourth time in the modern era.

Naturally, there were plenty of impressive individual efforts on the night. Lourdes Gurriel Jr. went 6-for-7 with a double, five RBI, and three runs scored. He joined Frank Catalanotto as the only players in Blue Jays history with six hits in a single game (May 1, 2004 at CWS (2)). Gurriel Jr. also became the third player in team history with at least five hits and five RBI in a game, joining Roy Howell (5H, 9RBI on Sept. 10, 1977 at NYY) and Yangelvis Solarte (5H, 6RBI on May 3, 2018 (1) at CLE).

Raimel Tapia provided the most exciting moment of the night, racing around the bases for an inside-the-park grand slam in the 3rd inning. He joined Junior Felix as the only Blue Jays ever with an inside-the-park grand slam. He finished the game 3-for-7 with a double, a homer, and a career-high six runs driven in.

Danny Jansen crushed a pair of home runs, a three-run shot in the 4th and a two-run blast in the 6th. The backstop notched career-highs in both RBI (6) and runs scored (4). With Jansen and Tapia each recording six RBI, it marked the first time in MLB history a team's number nine hitter and leadoff hitter each drove in six runs in the same game. The team also had three players drive in at least five runs each in a single game for the first time in Toronto history and the ninth time in MLB history (Jansen - 6, Tapia - 6, Gurriel - 5).

TORONTO BLUE JAYS HISTORY

HISTORY OF THE TORONTO BLUE JAYS™

1977 – First Pitch: On April 7, 1977, 44,649 fans brave snow and freezing temperatures as the Blue Jays play their first ever regular season game, a 9-5 win over the Chicago White Sox at Exhibition Stadium.

1970s

The City of Toronto was awarded a franchise in the American League on March 26, 1976 and named Peter Bavasi Executive Vice-President and General Manager on June 18. On August 12, the "Blue Jays" were selected by Directors from over 4,000 names and 30,000 entries in a "Name the Team" contest. Roy Hartsfield became the first on-field Manager and catcher Phil Roof was purchased from the Chicago White Sox, becoming the first player in franchise history.

On March 11, 1977, the Blue Jays played their first spring training game, defeating the New York Mets in Dunedin, Florida, by a 3-1 score. On April 7, 1977, 44,649 fans braved snow and freezing temperatures as the Blue Jays won their first ever regular season game, 9-5, over the Chicago White Sox. Doug Ault became an instant hero, hitting two home runs in the contest. Their inaugural season included a 19-3 win over the Yankees, with Roy Howell collecting nine RBI, while the season total home attendance of 1,701,052 set a record for a first-year expansion club.

Bell/Moseby/Barfield: George Bell, Lloyd Moseby and Jesse Barfield played together in Toronto's outfield for six straight seasons from 1984-1989

Over the next two seasons, in 1978 and 1979, the Blue Jays saw several firsts. Jim Clancy got the 4-2 victory in front of 44,327 fans on April 22, 1978, which is marked by the pitcher starting the first triple play in franchise history. On June 26, 1978, the Blue Jays exploded for a franchise-high 24 runs. Bobby Mattick became the team's second Manager on October 18, 1979. For his performance in 1979, SS Alfredo Griffin was named co-winner of the AL Rookie of the Year Award. From December 2-7, Toronto played host to the Winter Meetings, the first held outside the United States.

1980s

The 1980s represented a new phase for the franchise, as the club rose from an expansion team to a formidable AL East contender by the end of the decade. In 1980, still in the early years, the club set a franchise record with 67 victories while pushing attendance past six million, an expansion record. Field manager Bobby Cox took over the reins in 1982 and led the club to new heights in his four years as Manager. 1982 saw the team climb out of the basement for the first time in its history, winning 78 games to finish in a tie for 6th with Cleveland.

1983 marked a significant time as the Blue Jays finished over .500 for the first time in franchise history with an 89-73 record, good for 4th place and only nine games out of first. Notable performances included the first 100 RBI season by a Blue Jay (Willie Upshaw) and first 100-run season (Lloyd Moseby). The Blue Jays became only the second team in league history to win Player of the Week honours in three consecutive weeks, when Luis Leal, Dave Stieb, and Lloyd Moseby turned the trick in May. The enthusiasm for the club continued to build as a record 9,104 season tickets were sold for the 1984 season. Fans saw their club march up the standings for a second-place finish at 89-73, solidifying their position as AL East contenders. Over the course of the season, the Blue Jays claimed 19 one-run contests in a row, while Cliff Johnson set a then Major League record mark for pinch-hit home runs with his 19th career shot. All of this was witnessed by 2,110,009 fans, which put the Blue Jays in elite company as just the 18th franchise to top two million fans in a season.

PLAYOFF BOUND:

The ascent to AL East Champions was complete in 1985. On the second to last day of the regular season, the Blue Jays defeated the New York Yankees by a 5-1 score to secure their first postseason berth. During the 1985 season a Blue

Jays ticket was a hot commodity. On July 27, the club saw average attendance top 30,000 per game for the first time. 47,686 fans showed up for an October 4th contest vs. New York to set a single game mark, while final attendance reaches a new high of 2,468,925. Season ticket sales are capped at 11,500.

The Blue Jays' first foray into the playoffs provided lots of drama and some solid learning experiences for future

George Bell MVP: George Bell cemented himself as the AL's best, posting a .308 average with 47 home runs and 134 RBI to earn MVP honours. He is one of two players in franchise history to win the award (Josh Donaldson - 2015).

years. Jumping out to 2-0 and 3-1 series leads vs. the AL West Champion Kansas City Royals, it appeared inevitable that the Blue Jays would make their first World Series appearance. Unfortunately, the Kansas City Royals had other ideas, coming from behind to become only the 5th club in Major League history to win a series after trailing 3-1. George Brett led the way, collecting several key hits while Jim Sundberg delivered the decisive blow off Blue Jays ace Dave Stieb, with a bases-clearing, wind-assisted triple off the top of the right-field fence in Game 7.

Heading into 1986, season tickets were capped at 14,000 as the club celebrated its 10th anniversary. On July 10, INF Damaso Garcia became the first player to record 1,000 hits in a Blue Jays uniform, while RHP Jim Clancy became the first to win 100 games for the franchise. SS Tony Fernandez became the first to record 200 hits in a season and RF Jesse Barfield earned the franchise's first Gold Glove award. The Blue Jays dropped to 4th place in the East with an 86-76 record, as Jimmy Williams took over as team manager.

MVP:

George Bell cemented himself as the AL's best, posting a .308 average with 47 home runs and 134 RBI to earn the honour as AL MVP in 1987. He became the first Blue Jay ever selected by fans to appear in an All-Star Game. The Blue Jays set several club marks, including a 10-home run game vs. Baltimore on September 14, with Ernie Whitt belting three. A franchise record 11-game winning streak began on June 2, while attendance soared to 2,778,429, an all-time high for any AL East club. On Canada Day, a single-game record 47,828 fans packed their way into Exhibition Stadium in a contest vs. the New York Yankees. The season ended in shocking fashion as a 3.5 game lead was lost in the final week with seven consecutive losses. Four of the losses came to eventual champions, Detroit, all of them by one run, including two in extra innings. On the season's final day, LHP Jimmy Key lost a 1-0

battle to Frank Tanana with the lone run coming from a wall-scraping home run to left field by OF Larry Herndon in the 2nd inning. Key injuries to C Ernie Whitt and SS Tony Fernandez down the stretch proved to be too much to overcome.

A 3rd place finish in 1988 (87-75) was highlighted by some individual accomplishments. George Bell began the season the same way he left off his 1987 MVP campaign, becoming the first player in Major League history to hit three home runs on Opening Day and the only player over the course of the season to earn two Player of the Week awards. Dave Stieb continued his dominance of AL hitters, flirting with no-hitters on three occasions, all three one-hitters, including back-to-back one-hitters on Sept. 24 and 30. Incredibly, both games saw him lose the no-hitter with two outs in the 9th inning.

A SIGNIFICANT CHANGE:

The 1989 season began with the naming of Paul Beeston as President on January 10. On May 15, with the team sitting at 12-24, Manager Jimmy Williams was replaced by Cito Gaston on an interim basis. On May 28, the Blue Jays played their final game at Exhibition Stadium, defeating the White Sox, 7-5. The team moved into the SkyDome and capped season tickets at 26,000. The SkyDome opened on June 5 with a 5-3 loss to the Milwaukee Brewers. 49,501 watched the Blue Jays on September 16, setting a new single-season record for home attendance. The Blue Jays went on to post a 77-49 record under Cito Gaston and clinched their second division title. Dave Stieb posted two more one-hitters, and came within one out of a perfect game vs. New York on August 4, when Roberto Kelly broke up the bid with a double.

BEEN HERE BEFORE:

For the second time in five seasons, the Blue Jays were East Division Champions and fell in the Divisional Series, this time to the AL West Champion Oakland Athletics. The Blue Jays were no match for Rickey Henderson, who batted .400 in the series with a 1.609 OPS and a LCS record eight stolen bases in the five-game series. They were outscored, 31-16, with the Blue Jays only victory coming in Game 3 behind Jimmy Key.

1990s

The Toronto Blue Jays entered the 90's as an established contender, looking to build on regular season performances that had yet to yield playoff success. With the state-of-the-art SkyDome now their home, it was time to see this vision become reality.

In the first full season at SkyDome, and the first full season under Cito Gaston, the club came up just short of a post-season berth, finishing two games behind the Red Sox with an 86-76 record. The team set a Major League attendance record by passing the Dodgers' 1982 mark on September 19.

Dave Stewart tossed SkyDome's first no-hitter on June 29 while pitching for the Oakland A's.

AND THEN HE WAS PERFECT:

On September 2, 1990, Dave Stieb accomplished what had appeared so elusive in his career, tossing his first and only no-hitter vs. the Cleveland Indians. Jerry Browne lined out to right fielder Junior Felix to end the contest.

In December of 1990, the Blue Jays cemented a deal that changed the fortunes of the club, acquiring future Hall of Famer 2B Roberto Alomar and OF Joe Carter from San Diego in exchange for SS Tony Fernandez and 1B Fred McGriff. Another attendance mark was set

Stieb No-Hitter: On Sept. 2, 1990 vs. Cleveland, Dave Stieb tossed the only no-hitter in Blue Jay history.

Joe Carter – 1993: The Blue Jays won their 2nd consecutive World Series title after Joe Carter hit a walk-off home run in Game 6 vs. the Phillies to help Toronto capture the series.

and the four-million fan barrier was broken as 4,001,526 saw the Blue Jays return to the postseason by winning the AL East with a 91-71 record. Tom Henke set a then record for consecutive saves with 25. On May 1 in Texas, Nolan Ryan no-hit the Blue Jays for his 7th and final no-hitter. Chosen to host their first All-Star Game, 52,382 fans packed the Sky-Dome to see Jimmy Key pick up the win for the home side.

THIRD TIME IS A CHARM:

The AL West Champion Minnesota Twins awaited the Blue Jays in the AL Championship Series. The Blue Jays came home to Toronto with a 1-1 series split, primed to make their first World Series appearance. Unfortunately, an 11-inning heartbreaker turned the series as Mike Pagliarulo homered off Mike Timlin to put the Blue Jays down, 2-1. In Game 5, the Twins finished off the series by scoring three runs in the 8th inning, winning, 8-5, and sending the Blue Jays home early once again.

Newly acquired Jack Morris led the Blue Jays into the 1992 season by making his Major League record 13th consecutive Opening Day start. He tossed a complete game in a 4-2 win in Detroit. The Blue Jays set a Major League attendance record again in 1992 with 4,028,318 fans and clinched their fourth playoff berth on October 3. Dave Winfield set a Blue Jays mark with 23 home runs as a DH while becoming the oldest player to register 100 or more RBI in a season.

TIME TO CELEBRATE:

An old foe awaited Toronto in the 1992 Championship series in the Oakland Athletics, a team very similar to the club that handled the Blue Jays just two seasons earlier in the playoffs. The Blue Jays split the first two games at home before heading to Oakland for Games 4, 5, and 6. Juan Guzman gave the Blue Jays a 2-1 series lead before a dramatic Game 4 became the catalyst for the Blue Jays' first ever World Series appearance. In Game 4 at the Coliseum, the Blue Jays found themselves down 5-1 after three and 6-1 heading into the 8th inning. They came within striking distance with a three-run 8th inning before Dennis Eckersley, one of the league's best closers, attempted to close out the game in the 9th. With a man on, Roberto Alomar delivered one of the biggest hits in franchise history, belting a game-tying two-run home run to right field. The Blue Jays went on to win, 7-6, in 11 innings and then took the series in six games.

More drama ensued in the Blue Jays' first World Series appearance, facing perennial playoff club, the Atlanta Braves. After dropping the first contest, Game 2 saw backup C/INF Ed Sprague propel the Blue Jays to their first ever World Series win with a pinch-hit, two-run home run off Jeff Reardon in a 5-4 win. Game 3, the first World Series game played outside of the US, was noteworthy for 'the catch' made by Devon White in the 4th inning, resulting in a near triple play. That was key in keeping the score tied at 2-2 in the 9th inning. Candy Maldonado drove in Roberto Alomar for the game-winner and a 2-1 series lead. After a 2-1 win in Game 4, the Blue Jays were unable to close the series out at home. Toronto needed one more dramatic at-bat to bring the World Series to Canada. Tied, 2-2, in the 11th inning of Game 6, Dave Winfield doubled down the left-field line to drive in two runs. When Mike Timlin tossed an Otis Nixon bunt to Joe Carter, the long journey to World Series Champions had concluded.

In 1993, a record-tying seven Blue Jays were selected to the All-Star team (Alomar, Carter, Hentgen, Molitor, Olerud, Ward, White). John Olerud flirted with a .400 average, going as late as August 2 at the .400 mark, and eventually became the first Blue Jay to win a batting title. In fact, the top three spots at season's end belonged to the Blue Jays (Olerud – .363, Molitor – .332, Alomar – .326), the first time in 100 years this had occurred. The Blue Jays won the AL East again, and on July 31, they acquired OF Rickey Henderson to propel them into another postseason run.

In the 1993 AL Championship Series, the Blue Jays and Chicago White Sox each won two games on opposition soil before the Blue Jays reversed the trend and took Game 5 at SkyDome. In all six games, the team that scored first won the contest. Roberto Alomar once again led the way with a .316 average, including reaching base in all five plate appearances in Game 5. Dave Stewart closed out the series, moving to 8-0 in ALCS play with a 6-3 victory.

In a highly entertaining series, the Blue Jays brought back-to-back championships to Canada, defeating the Philadelphia Phillies in six games. The series was highlighted by a classic Game 4 contest in Philadelphia on October 20 that saw the Blue Jays overcome 12-7 and 14-9 deficits with a six-run 8th inning. 10 men came to the plate in the 8th, with Devon White tying the contest with a two-out RBI triple. Rickey Henderson provided the game-winning hit in a contest that took four hours and 14 minutes to play. In Game 6 in Toronto, the Blue Jays trailed the Phillies, 6-5, entering the bottom of the 9th. Phillies closer Mitch Williams allowed a walk to Henderson and a one-out single to Molitor before Joe Carter ended the series with a three-run home run to left field. The,

"Touch 'em all, Joe! You'll never hit a bigger home run in your life," quote was made famous by longtime Blue Jays announcer Tom Cheek.

The 1994 season ended prematurely on August 12 as a player strike began. It did not end until late April of 1995. The Blue Jays did not return to the postseason during the balance of the 90's, finishing as high as 3rd in 1998 and 1999. Paul Beeston was named Canada's Baseball Man of the Year in 1994, while Howard Starkman picked up the Robert O. Fishel award for Public Relations Excellence in 1996. The Blue Jays opened their 20th season in Las Vegas vs. Oakland, a season where Pat Hentgen began a string of three successive Blue Jays CY Young award winners, with Roger Clemens winning in 1997 and 1998.

Carlos Delgado: The first baseman played with the Blue Jays for 12 seasons, from 1993-2004. He is the all-time club leader in many offensive categories, including runs (889), doubles (343), home runs (336), RBI (1,058) and walks (827).

EXCELLENCE IS MEASURED:

The Blue Jays honoured George Bell and Dave Stieb by unveiling their names as the first on the Level of Excellence. Over the years, only the most prominent Blue Jays will see their names on the outfield facade.

Joe Carter and Cito Gaston were added in 1999.

Cito Gaston ended a glorious run with the club after being relieved of his duties on September 24, 1997. During his tenure, the club won three divisional titles and two World Series.

Interleague Play began in 1997 with the Blue Jays playing the Montreal Expos in the regular season for the first time. The decade closed out with some significant accomplishments after Gord Ash assumed the role of General Manager in 1998. The same year, Tony Fernandez became the all-time hits leader and Roger Clemens became just the 11th pitcher in MLB history to record 3,000 strikeouts. Shawn Green became the first Blue Jay to post 30 home runs and 30 stolen bases in 1998. Pat Hentgen became the 4th Blue Jay to win 100 games and Billy Koch posted his 31st save in 1999 to set a then AL rookie record.

2000s:

Rogers Communications assumed control of the franchise in September of 2000. During the summer of the same year, the Blue Jays put on a

Halladay 2003 Cy Young: Roy Halladay became the third Blue Jay to win a Cy Young Award in 2003, joining Pat Hentgen (1996) and Rogers Clemens (1997-1998). Halladay is the all-time club leader in winning % (.661) while ranking 2nd in wins (148), shutouts (15) and strikeouts (1,495).

Ted Rogers: In September of 2000, local ownership returned to the Toronto Blue Jays as Rogers Communications Inc. purchased 80% control of the franchise.

power display, becoming the first Major League team to have four players with 20 or more home runs before the All-Star break (Delgado, Batista, Mondesi, Cruz). The 134 home runs at home set a new AL mark and the 244 total home runs set a new franchise record. Carlos Delgado was named Sporting News Player of the Year.

The 2001 campaign saw the club open the season with one game vs. the Texas Rangers in Puerto Rico. Raul Mondesi pulled off the first straight steal of home in franchise history and Carlos Delgado assumed the franchise lead in home runs, passing Joe Carter. Jeff Frye hit for the cycle on August 17, joining Kelly Gruber as the only Blue Jays to accomplish the feat.

Carlos Delgado's team-record streak of 432 consecutive games played came to an end on August 4, 2002. Pat Gillick was enshrined on the Level of Excellence on August 7, 2002. The 2002 campaign came to a close with Eric Hinske named AL Rookie of the Year.

On June 15, 2003, Reed Johnson became only the fourth player in MLB history to hit a leadoff and walk-off home run in the same game. Roy Halladay won 15 straight decisions in 2003 on his way to a club-record 22 wins and a Cy Young award.

On September 2, 2003, Carlos Delgado banged out four home runs to become the 15th player in MLB history to accomplish the feat. Legendary broadcaster Tom Cheek had his streak of 4,306 consecutive games come to an end after the sudden passing of his father on June 3, 2004. Later in the season, Cheek was enshrined on the Level of Excellence.

Manager Carlos Tosca was relieved of his duties on August 8, 2004 and replaced by John Gibbons. The final day of the season was overshadowed by the sudden passing of longtime Blue Jay and current broadcaster John Cerutti.

Vernon Wells picked up a Gold Glove Award in 2004 and again in 2005. On April 4, 2005, Tom Cheek called back-to-back home runs by Orlando Hudson and Vernon Wells in his last game as a Blue Jays broadcaster; he later passed away on October 9, 2005.

After key signings of A.J. Burnett and B.J. Ryan in 2006, the team went on to post its best record of the decade, finishing in 2nd place with an 87-75 record. It marked the first time the Blue Jays placed higher than 3rd since the World Series winning clubs in 1992 and 1993. They saw five players go to the All-Star Game (Halladay, Ryan, Wells, Glaus, Rios).

The Blue Jays signed free agent Frank Thomas to a two-year contract in 2007. On June 28 in Minnesota, he became just the 21st player in MLB history to hit 500 career home runs, accomplishing the feat with a 1st inning home run off Carlos Silva.

Cito Gaston made his return to the dugout as he replaced John Gibbons as Manager with the team holding a 35-39 record. Gaston led the club to a 10-game winning streak in September, finishing with a 51-37 record the rest of the way in 2008. He was rewarded with a two-year contract following the season.

General Manager JP Ricciardi was replaced following the 2009 season by assistant Alex Anthopoulos on October 3. Aaron Hill and Adam Lind had stellar offensive seasons, earning both players a Silver Slugger Award. Hill also was named Comeback Player of the Year, while Lind was recognized as the AL's best Designated Hitter, picking up the Edgar Martinez Award.

2010s

In 2010, Jose Bautista won the Hank Aaron award and a Silver Slugger award, after setting a club mark with 54 home runs. He became just the 16th player in MLB history to record 54 home runs and the 7th player to post 50 home runs, 30 doubles, and 100 walks in the same season. Overall, the team hit 257 home runs, tying for the 3rd highest total in MLB history. Brandon Morrow turned in one of the most impressive performances in franchise history on August 8 vs. Tampa Bay as his no-hit bid ended with two outs in the 9th inning. However, he finished with a one-hitter and 17 strikeouts. Cito Gaston was honoured in the final home game with a pre-game ceremony on September 29, 2010.

THE HALL IS CALLING:

Roberto Alomar, a 12-time All-Star and 10-time Gold Glove-winning second baseman, was inducted into the National Baseball Hall of Fame by the Baseball Writers' Association of America on July 24, 2011 at the Clark Sports Center in Cooperstown, NY. The two-time World Series Champion donned

Home Run Record: Jose Bautista broke the Blue Jays home run record in 2010, leading the Majors with 54 homers. He remains as the only Toronto player to hit at least 50 home runs in a season.

Cito Gaston: Cito Gaston waves goodbye as he is honoured at Rogers Centre in the final game of 2010. Gaston has the most wins as a manager in club history, amassing 913 in 1764 games (1989-1997; 2008-2010).

the Toronto Blue Jays cap in the Hall, marking the first ever Blue Jays player to be elected into the Hall of Fame. Alomar, who was in his 2nd year on the ballot, received 523 votes which then represented the 3rd highest total in history, for a 90 percent majority.

John Farrell was appointed as the 12th Manager in franchise history and led the club to an 81-81 record in his first season. Jose Bautista was once again the offensive leader, earning a second consecutive Hank Aaron award as the league's best hitter. He led the AL in home runs with 47, while also posting league leading numbers in walks (132), slugging percentage (.608) and OPS (1.056). Bautista became the first player to lead the Majors in all of the above categories since Barry Bonds in 2001, and the first AL player since Ted Williams in 1942. The fans also recognize his dominance by registering 7,454,753 All-Star votes, then the most in MLB history. In the minors, four of the Blue Jays affiliates made the playoffs, with two clubs (New Hampshire and Vancouver) winning league championships. Baseball America rated the Blue Jays Minor League system 4th, up from 19th just one year prior. On November 18, 2011, the Blue Jays unveiled a new logo that brought the "blue" back to the Blue Jays, recognizing the classic Toronto look.

In June of 2012, Jose Bautista recorded 14 home runs, 30 RBI, 22 walks and 24 runs scored in 27 games to capture his 5th career monthly award. He also finished at the top in homers, RBI, and slugging percentage (.750), and tied for 1st in walks and extra-base hits (18). His 14 homers established a new club record for the most home runs in any single month and marked the most in a calendar month by any player since Colorado's Troy Tulowitzki hit 15 round trippers in September of 2010. It also was the most for an AL player since New York's Alex Rodriguez hit 14 home runs in April of 2007.

On Sept. 18, 2012, the club announced that they had entered into a Player Development Contract with the Buffalo Bisons of the International League (AAA). On Oct. 21, 2012, the Blue Jays released Manager John Farrell from his contract as he was hired by the Red Sox to take over that same position with them, an agreement reached by both teams. On Nov. 19, 2012, the Blue Jays and Marlins completed the biggest trade in baseball history, measured in number of players changing hands, as Toronto acquired RHP Josh Johnson, LHP Mark Buehrle, SS Jose Reyes, IF/OF Emilio Bonifacio, and C John Buck in exchange for C Jeff Matthis, SS Yunel Escobar, SS Adeiny Hechavarria, RHP Henderson Alvarez, LHP Justin Nicolino, OF Jake Marisnick, and RHP Anthony Desclafani. On Nov. 20, the Blue Jays hired John Gibbons as Manager to take over for John Farrell. Gibbons became the second person to have two tenures as Blue Jays Manager, along with Cito Gaston. General Manager Alex Anthopoulos made another big splash in the offseason by acquiring the 2012 NL Cy Young award winner, RHP R.A. Dickey, from the New York

Tom Cheek: Tom Cheek, who called the first 4,306 regular-season and 41 postseason games in Toronto Blue Jays history, was selected as the 2013 recipient of the Ford C. Frick Award, presented annually for excellence in broadcasting by the National Baseball Hall of Fame and Museum. Cheek, who passed away on Oct. 9, 2005, was honoured as part of Hall of Fame Weekend 2013 in Cooperstown, N.Y.

Mets on Dec. 17, 2012, along with C Josh Thole and C Mike Nickemas in exchange for two of Toronto's top prospects, C Travis d'Arnaud and RHP Noah Syndergaard, along with C John Buck and OF Wuilmer Becerra.

Major League Baseball and Baseball Commissioner Allan H. (Bud) Selig named the Toronto Blue Jays as the 2012 recipient of the Commissioner's Award for Philanthropic Excellence, which was created in 2010 to annually recognize an extraordinary charitable and philanthropic effort of an MLB club.

Toronto had four players participate in the 2013 All-Star game along with Manager John Gibbons, who was one of the coaches selected by Jim Leyland. OF Jose Bautista, 1B Edwin Encarnacion, LHP Brett Cecil, and RHP Steve Delabar represented the Blue Jays at the 2013 Classic at Citi Field. Delabar was the winner of the mlb.com Final Vote, becoming the first Toronto player to win with 9.6 million votes. On July 21, 2013, Carlos Delgado became the 9th member inducted into the Toronto Blue Jays Level of Excellence.

In July of 2013, Tom Cheek was inducted in the National Baseball Hall of Fame and Museum as the Ford C. Frick winner, having called the first 4,306 games in club history. Cheek also called the team's first 41 postseason contests, and his "Touch 'em all, Joel!" call still resounds in the hearts and minds of fans across the country. The legendary broadcaster saw his name placed on the Level of Excellence in 2004 and passed away the following year after a lengthy and brave battle with brain cancer.

On Dec. 9, 2013, at the Winter Meetings, Roy Halladay signed a contract with the Blue Jays. This agreement ensured that the legendary right-hander retired as a Toronto Blue Jay. Halladay finished a distinguished 16-year career with a record of 203-105 (.659 winning percentage) in 416 games (390 starts) with an ERA of 3.38. Roy is among the Blue Jays club leaders in many pitching categories, ranking 2nd in wins (148), strikeouts (1,495), and shutouts (15), 3rd in ERA (3.43), starts (287), complete games (49), and innings pitched (2,046.2). His 148-76 record as a Blue Jay resulted in a .661 winning percentage, the highest mark in club history.

Jose Bautista once again led the Majors in the 2014 fan voting (5,859,019) and made his 5th consecutive appearance in the All-Star Game, joining Roberto Alomar as the only Toronto players to earn four consecutive starts. Bautista was named the AL captain for the Home Run Derby and was eliminated in the semi-final by the eventual winner, Yoenis Cespedes. His 10 homers in the 1st round were the most by any participant. On Sept. 8, 2014 vs. CHC, Bautista hit his 200th career homer as a Blue Jay, becoming just the 5th player in club history to accomplish the feat. Edwin Encarnacion led the Majors in May, 2014 with 16 HR, 22 XBH, a .763 SLG, and was 2nd with 33 RBI. The 16 HR in May set a club record for any month and was the most by any player in May since Barry Bonds hit a MLB record 17 HR in 2001. The 16 homers in May were tied for 2nd on the all-time MLB list with Mickey Mantle (1956) and Mark McGwire (1998). It was the most hit in any month since Sammy Sosa hit 17 HR in August, 2001. Encarnacion's five multi-HR games in May tied an MLB record for most multi-HR games in any calendar month (Albert Belle: Sept., 1995 and Harmon Killebrew: May, 1959). He was named AL Player of the Month for May. On June 6, 2014 vs. STL, the Blue Jays celebrated the 25th anniversary of the Rogers Centre. Like they did back on June 5, 1989, they sent Jimmy Key to the mound to throw out the Ceremonial First Pitch to former catcher Ernie Whitt. Joining them to deliver the game's starting lineup was former Blue Jays Manager Cito Gaston, who managed the first game at the ballpark. On April 10, 2014 the Toronto Blue Jays announced the creation of the Howard Starkman Award to be presented annually to the Employee of the Year. Starkman officially retired on April 11 as the longest serving employee in the organization and was the inaugural recipient of the award named in his honour. On Sept. 10, the Toronto Blue Jays were named the winners of 2014 Steve Patterson Award for excellence in sports philanthropy, granted in recognition of the Jays Care Foundation's charitable and community efforts across Canada.

RETURN TO THE PLAYOFFS:

In 2015, the Blue Jays had Josh Donaldson, Jose Bautista, and Russell Martin represent them in the 86th All-Star Classic. Donaldson was the MLB leading vote-getter, setting an all-time record after accumulating 14,090,188 votes. He was the first Toronto third baseman and fourth Toronto infielder to win a fan election, joining Roberto Alomar (1991-94), John Olerud (1993), and Carlos Delgado (2003). For Bautista, it marked his 6th straight overall All-Star selection (2010-2015), his first time being chosen by the players. For the 5th straight year he was selected as a starter, the only Blue Jay to accomplish the feat. His six All-Star appearances also represent the most by any Blue Jay (Roberto Alomar-5, Joe Carter-5). Prior to the July, 2015 trade deadline, GM Alex Anthopoulos pulled off four separate deals as Toronto acquired Troy Tulowitzki and LaTroy Hawkins from the Rockies on July 28. The Jays also acquired David Price from the Tigers on July 30 before adding Ben Revere from the Phillies and Mark Lowe from the Mariners on July 31. After that point, Toronto posted a record of 40-18 the rest of the way for the best record in baseball. On Aug. 31, 2015, Rogers Communications announced that Mark Shapiro had been appointed President and CEO of the Toronto Blue Jays and Rogers Centre, to take place following the completion of the team's 2015 season. Shapiro assumed the role from Paul Beeston, who retired at the end of the season. The team clinched its first division title since 1993 after defeating the Orioles in Baltimore by a score of 15-2 in Game 1 of a doubleheader on Sept. 30. The victory ended the longest active playoff drought by any team in professional sports, and marked the 6th division title in franchise history. The Blue Jays defeated the Texas Rangers in the best-of-five Division Series after trailing 2-0. In the finale, Jose Bautista put Toronto in front for good, crushing a three-run homer in the 7th inning to break a 3-3 tie. Toronto then lost their ALCS series vs. the Royals in six games. On Oct. 29, 2015, Alex Anthopoulos stepped down as Senior VP of Baseball Operations and GM. Vice President of Baseball Operations and Assistant GM, Tony Lacava was named Interim General Manager following Anthopoulos's departure.

The Bat Flip: Jose Bautista gives Toronto a 6-3 lead with a three-run homer in the 7th inning of Game 5 of the 2015 ALDS vs. Texas.

On Nov. 19, 2015, Josh Donaldson became just the second player in franchise history to win the AL MVP Award (George Bell in 1987). Donaldson finished with 23 first-place votes (385 points overall), 81 more points than the 2nd place finisher, Mike Trout. On Dec. 3, 2015, Toronto named Ross Atkins as Executive Vice President of Baseball Operations and General Manager. He became the seventh GM in franchise history. Tony LaCava was then promoted to the position of Senior Vice President of Baseball Operations and Assistant GM after serving as the Interim GM.

In 2016, the Blue Jays secured the top Wild Card position after going 89-73, representing the seventh postseason in franchise history. It marked just the second time in club history to earn a postseason berth in consecutive seasons (last: 1991-1993). The Blue Jays defeated the Orioles at Rogers Centre in the Wild Card game on Tuesday, Oct. 4, after Edwin Encarnacion hit a walk-off three-run homer in the 11th inning. Toronto won the Division Series, 3-0, over Texas for their first ever postseason sweep. The Jays appeared in consecutive ALCS series in back-to-back seasons for just the second time in franchise history (1991-1993), but fell to the Cleveland Indians, 3-1, in the ALCS. Toronto drew 3,392,099 in attendance for an average of 41,878, which represented the most in the AL and third most in the Majors (LAD - 45,720; STL - 42,525), their highest total since 1994 (49,287). Aaron Sanchez led the American League in ERA at 3.00, becoming the 5th different Blue Jays pitcher to lead the AL in ERA, joining Roger Clemens (2x), Dave Stieb, Juan Guzman, and Jimmy Key. J.A. Happ was one of just three pitchers to finish the year with 20 wins (Rick Porcello - 22, Max Scherzer - 20) as he became the 6th different 20-game winner in club history (8th time), joining Roy Halladay (2x), Roger Clemens (2x), Jack Morris, Pat Hentgen, and David Wells. It marked the second time that a left-hander recorded 20 wins in a season (David Wells - 20 in 2000). Edwin Encarnacion became the third player in club history to record four seasons of 35+ HR and 100+ RBI, joining Delgado (5x) and Bautista (4x). The Jays also averaged over 1 million viewers per game on TV nationwide (Sportsnet).

In 2017, Roberto Osuna and Justin Smoak represented the Blue Jays at the All-Star Game. At 22.352 years old, Osuna became the youngest player to appear in an ASG in team history. Smoak went 1-for-1 with a walk to become the third Blue Jay to reach base more than once in a Midsummer Classic contest. The first baseman hit a career-high 38 homers in 2017, the most all-time by a Toronto switch-hitter. He also set an MLB record with 11 home runs in the 9th inning or later. Marcus Stroman became the 2nd pitcher in team history to win a Gold Glove Award (R.A. Dickey - 2013) and while leading the Majors in ground ball percentage (62.9). The team played in an AL-high 53 one-run games. Despite finishing 76-86, Toronto led the AL in attendance, selling 3,203,886 tickets.

In 2018, the season began with the retiring of a workhorse starter, as the late Roy Halladay had his number 32 lifted to the rafters on Opening Day. Lourdes Gurriel Jr. recorded multiple hits in 11 straight games from July 11-29. The multi-hit streak was the longest in team history and marked the seventh 11+ game multi-hit streak since 1900. The shortstop took AL Rookie of the Month for July with a .423 (30-for-71) average over the course of the month. Kendrys Morales also had a club-record streak as he homered in seven straight games from Aug. 19-26. The seven-game stretch was the longest ever by a switch-hitter and tied for 4th longest all-time, one back of the leaders. J.A. Happ was Toronto's lone representative at the All-Star Game and picked up the first save ever by a Blue Jay at the Midsummer Classic. Rowdy Tellez joined the club in September and became the first player in the live-ball era to have an extra-base hit in each of his first three MLB plate appearances. He then became the first player to record seven doubles in his first seven career games and tied an MLB record with 10 XBH in his first 40 PA. The team set a franchise record, using 63 different players to get through 2018.

Toronto wrapped up the decade with an average roster age of 26 years and 266 days in 2019, the second youngest in the Majors, as Charlie Montoyo took over as Manager. The average age of their position players was 25.298, the youngest among all 30 clubs. The Blue Jays had an MLB-high 840 games played by rookies during the campaign and led all teams in rookie hits (535), doubles (115), home runs (97), RBI (284), walks (224), and extra-base hits (218). The club set team records in rookie doubles, homers, RBI, walks, and extra-base hits, having only more hits and games played in their 1977 inaugural season. They also became the first team ever to have double-digit home runs from six different rookies, surpassing the 1958 San Francisco Giants. Cavan Biggio recorded the third cycle in franchise history as he accomplished the feat on Sept. 17 in Baltimore. Bo Bichette set an MLB record with a nine-game doubles streak from July 31-Aug. 8, and became the first player to ever record 15 extra-base hits in his first 15 career games. Vladimir Guerrero Jr. led AL rookies with 126 hits and became the first rookie in team history to win two Player of the Week Awards. The 20-year-old also became the youngest player to ever participate in the Home Run Derby and set an MLB record as he hit a total of 91 homers in the competition, surpassing Giancarlo Stanton's total of 61 in 2016.

2020s

The 2020 season was like no other. After the COVID-19 pandemic delayed Opening Day until July 24, the Blue Jays made Sahlen Field in Buffalo, NY, their "home" for the 60-game season - the first season without Major League Baseball in Canada since 1968. Toronto managed to go 17-9 at home and finished with a 32-28 record, good enough for a Wild Card spot in the newly expanded 16-team postseason format. The Jays lost both playoff games in Tampa Bay, 3-1 and 8-2, after making the postseason with the youngest average roster age of all 16 clubs. They were also the first team in 105 years to make the playoffs without a single player who had been in the Majors for at least 10 seasons. Toronto finished the 2020 campaign with a .533 win%, after a .414 win% (67-95) in 2019, for a year-on-year improvement of +.119, the 2nd largest in team history. Teoscar Hernández slugged 16 home runs, tied for 5th most among AL batters while ranking 7th in SLG (.579) and 7th in OPS (.919). Lourdes Gurriel Jr. finished 6th in the AL with a .308 batting average. Hyun Jin Ryu ranked 4th in the AL with a 2.69 ERA while 3rd in MLB with a 3.0 bWAR. Toronto was also named the recipient of the 2020 Allan H. Selig Award for Philanthropic Excellence, recognizing the club's Blue Jays Community Commitment, a \$7.5 million COVID-19 response plan that supported those disproportionately affected by the pandemic across Canada.

As border closures continued into 2021, the Blue Jays started a season south of the border for a second consecutive year. They played their first three homestands in Dunedin, FL, becoming the first team ever to hold a home opener in three different cities in three consecutive seasons. The club went 10-11 at TD Ballpark, then 12-11 at Sahlen Field, and finished 47-33 overall at home. The team returned to Rogers Centre on July 30 after 670 days away, the longest such stretch in MLB history. The Blue Jays became the 1st team to play home games in three different states/provinces in the same campaign. Toronto hitters connected for an MLB and franchise-high 262 home runs. Bo Bichette, Vladimir Guerrero Jr., Teoscar Hernández, and Marcus Semien were all named All-Stars for the 1st time in their careers. Guerrero Jr. tied Salvador Pérez for the MLB home run lead at 48, the most home runs in a season all-time by a player age 22 or younger, and became the youngest ever to win All-Star Game MVP. Bichette led the AL with 191 hits while his 29 homers were the most by a shortstop in team history. Semien ranked 1st in the Majors with 86 extra-base hits and his 45 home runs were the most in MLB history by a second baseman. Hernández finished 3rd in the Majors with 116

RBI and ranked 7th in the AL with a .296 average. All four All-Stars also reached the 100-RBI plateau, marking the 1st time in club history to have four players do so in the same season. Guerrero Jr. and Semien ended up finishing 2nd and 3rd in AL MVP voting and each claimed a Silver Slugger Award, along with Hernández. Robbie Ray became the 1st Blue Jay to lead the Majors in strikeouts (248) and was the 6th in team history to lead the AL in ERA (2.84) as he claimed the AL Cy Young Award. Toronto's 91 wins finished 4th in the division and were one shy of a Wild Card spot, as the 2021 AL East was the first division since realignment in 1994 to have four 90-win teams.

Toronto played its home ball based out of Rogers Centre for the full 2022 campaign and returned to the playoffs once more, falling in two games to Seattle in the Wild Card round. Blue Jay batters led the Majors with a .264 batting average and topped the AL in AVG, OBP, SLG, and OPS for the 1st time in team history. George Springer was named to his 4th All-Star team while Vladimir Guerrero Jr. became the 5th Blue Jay to be named a starter in consecutive years. Santiago Espinal, Alejandro Kirk, Alek Manoah, and Jordan Romano all made the Midsummer Classic for the 1st time in their careers. Manoah finished 3rd in Cy Young Voting as he ranked top-five in the AL in wins, ERA, innings pitched, opponents' average, WHIP, and quality starts. Kirk became the 1st catcher in team history to win a Silver Slugger Award as he led all MLB catchers in both AVG and OBP. Bo Bichette finished the year strong with a club-record 48 hits in September and became the 1st Blue Jay ever to lead the AL in hits in multiple seasons.

The Blue Jays won 89 games under Manager John Schneider during his 1st full season at the helm in 2023, returning to the playoffs in consecutive campaigns for the first time since 2015-2016. For the 3rd time in four years, the club was swept in the Wild Card round, this time in Minnesota. Vladimir Guerrero Jr. was crowned the Home Run Derby Champion in Seattle, becoming the 1st Blue Jay to ever win the event. He was joined as an AL All-Star by Bo Bichette, Kevin Gausman, Whit Merrifield, and Jordan Romano. The pitching staff combined for a 3.78 ERA, 2nd best in the AL, while recording a club-record 1,528 strikeouts. Gausman led the way with a career-high and AL-best 237 strikeouts while finishing 3rd in AL Cy Young voting. The gloves shined as the defence played 107 error-free games, the most in team history, and recorded a total of 82 Defensive Runs Saved, the most in the Majors. Newly acquired Daulton Varsho finished 1st in MLB with 29 total runs saved.

HISTORY OF THE LOGO

Courtesy: Chris Creamer, SportsLogos.net

PRIMARY LOGO (1977 – 1996)

Unveiled two months after the team was named, the Toronto Blue Jays original logo made its debut to the baseball world on October 8, 1976. The design is attributed to a team that includes draftsman Paco Belsué from Toronto's Savage Sloan Ltd. and Richard Walker from Labatts. It featured the stylized double-blue profile of a blue jay superimposed on a baseball accompanied by a red maple leaf symbolizing the team's status as the first and only Canadian team in the American League. The team name, surrounding the main elements, boasts its now-famous light blue split-lettering typography. The Blue Jays used this logo from their expansion season right through to the end of 1996, a span of twenty seasons. The logo was worn by six members of the National Baseball Hall of Fame and used by the team during five playoff appearances and two World Series titles.

PRIMARY LOGO (1997 – 2002)

Designed by Major League Baseball, the Toronto Blue Jays announced the first logo change in team history on November 19, 1996 along with a set of brand new uniforms. The stylized double-blue blue jay head remained on a baseball, but now appeared with a modernized style and the addition of the colour grey. The maple leaf, once small and off to the right, was enlarged considerably and placed behind both the ball and the blue jay with the team name below in modified split-lettering. The Blue Jays used this logo for six seasons, including the on-field debut of Hall of Fame pitcher Roy Halladay and for back-to-back American League Cy Young Award winning seasons for Roger Clemens.

PRIMARY LOGO (2003)

While it was only used as the primary logo for one season, the Blue Jays had previously used this logo as an alternate logo for the three seasons prior to its "call-up" in 2003. Originally unveiled for use on batting practice and Spring Training uniforms on February 1, 2000, the logo features a blue jay wrapped around a large red "T" while holding a yellow bat and tossing a ball into the air. It quickly found its way into the regular season rotation on both an alternate cap and jersey during the 2001 and 2002 seasons before it took center stage as the primary design. It was just one season but it was while wearing this logo that Roy Halladay took home the AL Cy Young Award in 2003.

PRIMARY LOGO (2004 – 2011)

Featuring an updated blue jay characterized by a more determined look, the team unveiled a radical new logo, colour scheme, and uniform set on September 2, 2003. Created by Toronto-based Brandt, the new design placed an emphasis on black and graphite while eliminating red from the set. The logo incorporated a lighter shade of blue than used previously onto a blue jay head facing the left with the team name behind in bevelled lettering. The name of the team was abbreviated for the logo with only the name "Jays" shown in the design. The Jays used this design for eight seasons before replacing it following the 2011 season during which it was worn by two members of the National Baseball Hall of Fame and by Jose Bautista as he slugged a club record 54 home runs in 2010.

PRIMARY LOGO (2012 – 2019)

In homage to their past, the Blue Jays brought back the classic look and feel of their original design when they unveiled a familiar new logo on November 18, 2011. Returning was the double-blue blue jay head placed on a red baseball, a maple leaf was as reintroduced, now larger than it was when it first appeared in 1977. Split-style lettering returned as well with a modernized, serif version of the original font. The entire logo encased within a double striped blue outline to mimic the split-styled font. The Blue Jays have used this logo as their primary logo for eight seasons including two playoff appearances and will forever be linked to postseason home runs from Jose Bautista in 2015 and Edwin Encarnacion in 2016.

PRIMARY LOGO (2020–)

Entering a new decade, the Blue Jays made some minor changes to their primary look. The baseball and team name were removed from the design to match the "logo for life" worn on each of the team's caps and jerseys. The shade of red used for the maple leaf was also darkened very slightly. The previous logo, words, ball, and all, wasn't eliminated completely, sticking around as the team's official secondary logo.

HISTORY OF THE UNIFORM

HOME UNIFORMS

Paired with a royal blue cap and a white front panel, the original home and road jerseys were both pullover style with blue/white/blue trim around the collar and both sleeves with the original team logo front and center. At home, the Blue Jays wore a white uniform with "BLUE JAYS" arched across the chest in blue split-lettering over the logo. On the road, they went with a baby blue uniform with "TORONTO" in solid blue over the logo. While the road uniform would change annually for the first three seasons, the home design remained relatively unchanged until after the 1983 season.

For the 1978 season, the Blue Jays made a slight adjustment to their road uniform, the "TORONTO" wordmark arched across the chest was given a white outline to make it stand out more on the baby blue jersey.

In 1979, the Blue Jays changed the road uniform once again, this time replacing blue "TORONTO" lettering with "BLUE JAYS" in white to mimic the style worn on the home jersey. This design also helped the team recycle uniforms down to the club's Minor League affiliates also named "Blue Jays".

As the team moved to SkyDome in 1989, the Blue Jays redesigned their uniforms, moving away from the pullover style to a more traditional button-down jersey. The logo on the jersey had to be moved to the left side to accommodate the buttons. On the road, the team dropped the baby blues in favour of a traditional road grey and "TORONTO" now appeared across the jersey. For the first time, an all-blue cap was added and was worn exclusively for road games. Midway through the 1993 season the white front-panel caps used since 1977 were retired, leaving the team with just the one all-blue cap. In 1994, the Blue Jays added their first-ever alternate uniform to the mix, the same design but now a blue jersey with the team name in white to be worn at home and on the road with the blue cap.

Along with a new logo, three all-new uniforms were unveiled for the Blue Jays in 1997. Three stripes: blue, light blue, and red were on each arm with the new logo as a patch on the sleeve. The team name remained across the chest in a modernized version of the split-style lettering and the player's number appeared on the front of the jersey. The home and road uniforms both paired with a new all-blue cap featuring the new logo. A blue alternate jersey with "TORONTO" across the chest in red lettering was also added with its own blue cap which included a red visor. A second alternate uniform was added in 1999, a sleeveless jersey with a blue undershirt and the return of the team's logo to the front of the jersey.

Tweaks were made to the team's uniforms in 2001 as piping was added down the front of all jerseys. The road grey jersey got the most noticeable change as it now had blue sleeves in addition to the new blue piping. The sleeveless alternate from 1999 was updated as well, with a new logo featuring a blue jay wrapped around a red "T" on the front of the jersey as well as on the caps.

Slight changes were made to the uniforms in 2003 as all instances of the previous logo on the sleeves and caps were replaced with the new "T" logo to accommodate its promotion up to the primary team mark.

A major redesign in 2004 saw almost the total elimination of blue – from the caps which were now graphite grey at home and black on the road, as well as from the team's name on the uniforms. The new jerseys were free of any decoration with just the new "JAYS" logo across the front of the home white and alternate black jerseys, and "TORONTO" on the road greys, both slanted diagonally up to the right. New player name and number styles were also introduced. The graphite caps were replaced by the black caps full-time in 2005.

The road uniform received a makeover for the 2008 season, as the "TORONTO" logo across the chest was now in an entirely new styled font and back to being arched again. Player numbers are added below the team name and the team's logo is worn as a patch on the sleeve. There was also a retro return in 2008 as the Blue Jays introduced the Flashback Friday series of home games. The powder blue pullovers worn originally on the road in the 1980s along with the original caps were brought back for Friday night home games for three seasons.

From 2009 to 2011, to again promote themselves as Canada's Team, a red maple leaf was returned to the Blue Jays home white, road grey, and alternate black uniform for the first time in five seasons. The maple leaf was added as a patch to the sleeve of the three jerseys.

What's old is new again, and in 2012, the Blue Jays brought back their familiar look with a few modern twists. The original logo, colours, and lettering style all returned with a fresher look alongside matching home white, road grey, and alternate blue uniforms. A white-panel cap, similar to those worn from 1977-1993, also returned as an alternate option beginning during the 2015 season.

In honour of Canada's 150th anniversary, an all-red-and-white version of the Blue Jays look was added as an alternate uniform in 2017. All logos and uniforms were removed entirely of blue and replaced with red, the striping on the pants was changed to red, and the cap was red with a red-and-white maple leaf on the crown.

A "new blue" was added for the 2020 season when the Blue Jays introduced their new alternate uniform with matching blue pants. A dark navy blue was used for all lettering and striping on this jersey which was paired with a brand new navy blue cap with a powder blue visor.

IN THE POSTSEASON

1985

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS. KANSAS CITY (L, 3-4)

As the Blue Jays entered postseason play for the first time, they faced the Kansas City Royals in the first ever best-of-seven American League Championship Series. The Blue Jays, who finished nine games ahead of the Royals in the loss column, were the favourites and had the benefit of the extra home game.

GAME #1: Dave Stieb lived up to superstar billing, shutting out the Royals on three hits through eight innings with no base runner advancing past second base. The Blue Jays struck quickly with two runs in the second, three in the third, and one in the fourth. The Blue Jays offense was sparked by two-RBI performances from Ernie Whitt and Tony Fernandez.

GAME #2: A much more even affair with the Blue Jays coming away with a 6-5, 10-inning win. The Royals jumped out to a quick 3-0 lead after three innings primarily on the strength of a two-run homer by Willie Wilson in the 3rd inning. The Blue Jays took the lead on a George Bell sacrifice fly in the 8th. The Royals rallied, however, in the 9th on a pinch-hit home run by Pat Sheridan with the go-ahead run being delivered in the 10th on a Frank White single. Toronto won it in the bottom of the 10th on a two-out, two-run single by Al Oliver. On to Kansas City, the Blue Jays were up two games to none.

GAME #3: George Brett put on a baseball clinic, going 4-for-4 with two home runs, three RBI, and four runs scored en route to a 6-5 Royals win. Leading 5-2 after 4 innings, the Blue Jays squandered the lead for good in the 8th when Brett led off the inning with a single and eventually scored.

GAME #4: The Blue Jays moved to within one win of a World Series berth with a 3-1 come-from-behind victory. The Blue Jays won the game dramatically with three runs in the top of the 9th inning, with the big blow being a two-run pinch-hit double by Al Oliver.

GAME #5: Kansas City's Danny Jackson went the distance, scattering eight Toronto hits in a 2-0 win as the Royals scored a run in each of the first two innings. The Blue Jays still led the series, 3-2.

GAME #6: The Blue Jays and Royals returned to Exhibition Stadium. Entering the 5th inning tied at 2-2, George Brett once again delivered the decisive blow with a solo homer. With 3.2 shutout innings of relief from Buddy Black and Dan Quisenberry, the Royals pulled even in the series for the first time at three games apiece.

GAME #7: Dave Stieb, the ace of the Toronto staff vs. the eventual Cy Young Award winner, Bret Saberhagen. The Royals came out on top, 6-2, shellacking Dave Stieb for six runs in 5.2 innings with the difference maker being a wind-assisted, bases-clearing triple by Jim Sundberg to cap a four-run 6th inning.

The Kansas City Royals became only the 5th club in Major League history to trail a series three games to one and come back to win the series. The Blue Jays? They slumped immediately after scoring five runs in the 5th inning of Game 3, scoring only eight runs in the last 40 innings.

1989

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS. OAKLAND (L, 1-4)

For the second time in five seasons the Blue Jays were American League East Division Champions. Toronto faced the Oakland Athletics, who had the best record in the Major Leagues in 1989.

GAME #1: The Blue Jays surrendered 2-0 and 3-1 leads as the Athletics scored three times in the 6th and twice in the 8th to win, 7-3. In the 6th inning, Mark McGwire cracked a leadoff homer to tie the game, and two runs scored when Carney Lansford's double play ball was botched. Dave Stewart allowed five hits over eight innings for the win.

GAME #2: The Athletics tallied twice in the 4th inning and three time in the 6th en route to a 6-3 win. Rickey Henderson was a one-man wrecking crew, going 2-for-2 with two runs scored and four stolen bases. Oakland right-hander Mike Moore allowed just three hits and an unearned run over seven innings of work.

GAME #3: The Blue Jays snapped a five-game postseason losing streak, dating back to 1985, with a convincing 7-3 win. The Blue Jays jumped on Athletics starter Storm Davis for four runs on four hits in the 4th inning and put the game away with another three runs in the 7th inning. Overcoming a 3-0 Athletics lead, Mookie Wilson and Tony Fernandez paced the Blue Jays with two hits each, the latter with two doubles.

GAME #4: The Athletics took a commanding 3-1 lead in the series with a 6-5 win over the Blue Jays. Rickey Henderson was again a major catalyst with two home runs and four RBI. The Blue Jays collected 13 hits, 11 of which were singles, and attempted to overcome a 5-2 deficit with a run in the 6th and 7th innings, to go with two in the 8th.

GAME #5: The Blue Jays spotted the Athletics a 4-0 lead heading into the 7th inning before eventually losing the game, 4-3, and the best-of-seven series in five games. Trailing 4-1 after eight innings, the Blue Jays scored twice in the 9th inning on a leadoff home run by George Bell and a sacrifice fly by Kelly Gruber.

In essence it was Rickey Henderson defeating the Blue Jays, four games to one. Henderson batted .400, slugged 1.000, had a .609 on-base percentage, and had an LCS-record eight stolen bases. The Blue Jays hit .242 as a team (compared to Oakland's .272) with only eight of their hits going for extra bases. They were outscored, 8-3, in the first three innings and 12-7 in the middle three before outscoring the Athletics, 11-6, in the final three frames. Unfortunately, it is virtually impossible to consistently battle back from an early-inning deficit. Although anything can happen in a "short series," the best team of the regular season continued their charted course into the postseason, winning eight of nine contests.

1991

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS. MINNESOTA (L, 1-4)

GAME #1: Toronto starter Tom Candiotti lasted just 2.2 innings and allowed five earned runs before being lifted in favour of David Wells. The Twins did not need to score another run. The Blue Jays rallied for one run in the 4th and three runs in the 6th on five consecutive hits off Twins starter Jack Morris. Those four runs were all the Blue Jays could muster as they lost, 5-4, at the Metrodome.

GAME #2: The Blue Jays took an early lead as they jumped on Twins starter Kevin Tapani, scoring three times in the first three innings. Rookie Toronto starter Juan Guzman lasted 5.2 innings, allowing four hits and just two earned runs before the ball was handed to the bullpen. Tom Henke and Duane Ward combined for 2.1 innings of shutout relief and six strikeouts. Devon White scored three of the five Toronto runs as the Blue Jays won their only 1991 ALCS game, 5-2, in Minneapolis.

GAME #3: Joe Carter's 1st-inning home run and a Candy Maldonado double put the Blue Jays ahead 2-0 until the 6th, when the Twins were able to put their second run across the plate and tie the game, 2-2. Toronto starter Jimmy Key scattered five hits over six innings and allowed two earned runs. The game went into extra-innings and ended in dramatic fashion as Mike Pagliarulo, pinch-hitting for Scott Leius, homered to right off of Blue Jays reliever Mike Timlin. Toronto was retired 1-2-3 in their half of the 10th as the Twins defeated Toronto, 3-2, at SkyDome.

GAME #4: Toronto starter Todd Stottlemyre allowed seven hits through 3.2 innings before exiting with the Jays trailing, 4-1. The Twins' Kirby Puckett hit his first home run of the series and Dan Gladden collected three RBI on three hits to pace Minnesota to a 9-3 win at SkyDome. It was Jack Morris' second win of the ALCS as he pitched eight innings and allowed just two runs.

GAME #5: Kirby Puckett displayed his power once again as he homered in the 1st inning off Tom Candiotti to put the Twins ahead, 1-0. Toronto put together three runs in the 3rd and a pair in the 4th to take a 5-2 lead. However, Minnesota was able to post three runs in their half of the 6th inning and tie the game at five. Duane Ward was handed the loss for Toronto as he allowed three runs in the 8th. Toronto was shutdown by five shutout innings of Twins relief. Devon White, Roberto Alomar and Manuel Lee each collected a pair of hits in the losing effort as Minnesota took the American League crown with an 8-5 win.

1992

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS. OAKLAND (W, 4-2)

GAME #1: Home runs were the story of the game as Oakland used three of them to beat the Blue Jays, 4-3. The A's scored three runs in the 2nd inning off Toronto starter Jack Morris on back-to-back homers by Mark McGwire and Terry Steinbach. The 3-0 lead stood until Pat Borders homered off Dave Stewart in the Blue Jays' 5th, followed by a Dave Winfield homer in the 6th to make it a 3-2 contest. John Olerud tied the score, 3-3, in the bottom of the 8th with a two-out single off reliever Jeff Russell, scoring Winfield who had doubled in the previous at-bat. Harold Baines broke the tie with a solo shot to lead off the 9th and Dennis Eckersley shut down the Blue Jays in the home half of the final frame to seal the 4-3 Oakland victory.

GAME #2: The Blue Jays were able to rebound from a Game 1 loss as David Cone held the A's to just one run over 8.0 innings en route to a 3-1 win. Cone, the Major League's strikeout leader in 1992, fanned six as he collected his second career postseason victory. Mike Moore lasted seven innings in the losing effort for Oakland. Kelly Gruber doubled and hit a two-run homer in the 5th which proved to be the winning runs. Closer Tom Henke came on to close out the game in the 9th and earned his first ever postseason save.

GAME #3: For the first time since 1985 vs. Kansas City, the Blue Jays put together a pair of wins in the postseason as they got past the A's, 7-5. Toronto starter Juan Guzman notched his second career LCS win in as many starts (1991 vs. Twins), lasting six innings before being lifted in favour of Duane Ward. Tom Henke claimed his second save in as many games. Despite being outlith, 13-9, by the A's, four of Toronto's hits went for extra-bases, including solo homers from Alomar and Maldonado.

GAME #4: In what appeared at first to be a certain Oakland victory, the Toronto Blue Jays fought back to erase a five-run deficit late in the contest, sending the game into extra-innings. Oakland batted around and plated five runs in the 3rd inning as they jumped on Toronto starter Jack Morris. The A's added another run in the 6th to make it 6-1 score. Toronto began their comeback in the top of the 8th as they strung together five consecutive hits. By the end of the inning they trailed, 6-4. The A's were held off the board in the bottom of the 8th. In the top of the 9th, Devon White led off with a single that was misplayed, allowing him to get to third base. Roberto Alomar then homered off Dennis Eckersley to tie the game, 6-6. Toronto eventually won the game on a Pat Borders sacrifice fly and another Tom Henke save in the 11th for the 7-6 victory.

GAME #5: Oakland starter Dave Stewart held the Blue Jays in check for nine innings, scattering seven hits and allowing just two runs as Oakland sent the series back to SkyDome. The complete game win was Stewart's first win of the 1992 postseason. The 6-2 loss for the Blue Jays ended their three-game win streak. David Cone took the L for Toronto as he lasted just 4.0 innings before Jimmy Key made his first appearance of the 1992 playoffs. Ruben Sierra homered and drove in three runs for the A's. Devon White notched three hits on the day, including a double, in the losing effort.

GAME #6: Toronto scored a pair of runs in the 1st inning on a Joe Carter home run off A's starter Mike Moore. The Blue Jays then added four more runs in the 3rd, including a Candy Maldonado three-run homer to put Toronto ahead, 6-0. Blue Jays starter Juan Guzman went seven innings, allowing just five hits and striking out eight before the ball was handed to Duane Ward in the 8th with the score Toronto 7, Oakland 1. The A's managed a run in the top of the 8th but the home town Blue Jays secured the win as Tom Henke tossed a perfect 9th, sending Toronto to its first ever World Series with a 9-2 win.

WORLD SERIES

TORONTO VS. ATLANTA (W, 4-2)

GAME #1: In the first game of the 89th World Series, the Blue Jays suffered a 3-1 loss to the Atlanta Braves. Home runs were the story of the game as Toronto took an early 1-0 lead in the 4th inning on a Joe Carter solo homer off starter Tom Glavine. However, that was the only run Toronto scored. Jack Morris continued his shutout innings streak vs. the Braves, extending it to 18.0 innings until a three-run homer by catcher Damon Berryhill in the 6th inning ended the streak. Glavine went the distance for the Braves to become the first pitcher to toss a complete game in a World Series opener since Jack Morris accomplished the feat in 1984 vs. San Diego.

GAME #2: Reserve catcher Ed Sprague proved to be the hero for the Blue Jays on this night at Fulton County Stadium. David Cone lasted just 4.1 innings, allowing four runs before exiting in favour of David Wells. Cone, however, contributed at the plate before being lifted with a pair of hits and an RBI. His two hits marked the first two-hit game by an AL pitcher in the World Series since Mickey Lolich went 2-for-4 on October 3, 1968. Heading into the 8th inning, the Blue Jays trailed, 4-2. Following a run in the top of the 8th, Toronto entered the final inning trailing by one. After a Pat Borders fly out, rookie Derek Bell (pinch-hitting for Manuel Lee) walked. Ed Sprague, pinch-hitting for pitcher Duane Ward, then knocked a first-pitch offering from Jeff Reardon over the left-field fence to put the Blue Jays ahead, 5-4. Tom Henke was able to retire the Braves in the bottom of the 9th for the save.

GAME #3: The game marked the first time the World Series had been played outside of the United States as the series moved to SkyDome. In another pitching duel, Steve Avery and Juan Guzman both went 8.0 innings. Atlanta was kept off the board in the 4th with a splendid defensive effort. Devon White ran down a deep drive off the bat of David Justice that sent him into the wall to make the catch. White returned the ball to the infield where Terry Pendleton was doubled-up off first. The Blue Jays drew first blood in the bottom of the 4th inning as Joe Carter connected for his second homer of the series, a solo shot putting Toronto ahead 1-0. In the 6th inning, the Braves rallied to tie things at 1-1. Each team traded runs in the 8th, keeping the game knotted at 2-2. The Braves attempted a rally as Duane Ward came on to pitch the 9th. But after a key double play and a strikeout, the inning was over. In the home half of the 9th, Roberto Alomar led off with a single. After stealing second and a Dave Winfield sacrifice, Alomar stood at third with one out. Jeff Reardon came in to try to halt the Blue Jays' advance, but Candy Maldonado, with the bases loaded, hit a two-strike pitch to right-center field for a base hit, allowing Alomar to score the winning run.

GAME #4: In what was the third consecutive one-run game of the 1992 World Series, the Blue Jays posted a 2-1 win behind a strong pitching effort from starter Jimmy Key. Key went 7.2 innings, allowing just five hits and one earned run while striking out six Braves batters. Toronto earned its first run in the 3rd inning as catcher Pat Borders continued his postseason hit streak with a solo homer to left. The Jays doubled their lead in the 7th as Devon White drove in Kelly Gruber from second base. Atlanta managed to score a run in their half of the 8th as Ron Gant led off with a double and eventually scored on a Mark Lemke groundout. Tom Henke came in to pitch the 9th for Toronto and tacked up a 1-2-3 inning for his second save of the series.

GAME #5: The game began in similar fashion as the previous four. Entering the 5th inning, the contest was tied, 2-2. The Braves had collected a run in the 1st and 4th innings while the Blue Jays captured runs in the 2nd and the 4th. The 5th frame went the way of the Braves as they crossed the plate five times to seal the victory and send the series back south for at least one more game. The Braves' half of the 5th inning began with two consecutive routine outs. An Otis Nixon single got the ball rolling and the Braves eventually loaded the bases on Toronto starter Jack Morris. Lonnie Smith stepped up to the plate and sent Morris' 1-2 offering over the right field wall for a grand slam, making the score 7-2. The score remained the same over the final four innings, making a winner out of John Smoltz.

GAME #6: The Toronto Blue Jays made history as they captured their first ever World Series to bring the Commissioner's Trophy outside of the United States for the first time. The 11-inning contest began with the Blue Jays scoring in the opening inning. Devon White led off the game with a single off starter Steve Avery. After a stolen base and a ground out by Alomar, White stood on third. Carter then drove him in with a sacrifice fly. Atlanta answered the call in its half of the 3rd as Deon Sanders scored his fourth run of the series. Toronto returned the favour immediately as it regained the lead with a run in the top of the 4th on a Candy Maldonado homer. The score remained that way until the bottom of the 9th when Atlanta shortstop Jeff Blauser tied the game, sending it into extra innings. The 10th inning proved to be uneventful. In the eleventh, the Blue Jays led off with Jimmy Key popping up for out number one. Devon White was hit by a Charlie Leibrandt offering. Alomar then singled to center, allowing White to move up to second. With two out, Dave Winfield stepped up to the plate and doubled down the left-field line, allowing White and Alomar to score for the 4-2 advantage. In the bottom of the 11th, Atlanta was able to score once with Key on the mound. Mike Timlin then came in to pitch for the Blue Jays with pinch-runner Smoltz on third and two out. Otis Nixon attempted a drag-bunt up the first-base line, which was fielded by Timlin who threw to Carter at first in time for the final out.

1993

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS. CHICAGO (W, 4-2)

GAME #1: The Blue Jays took a 2-0 lead in the 4th inning when third baseman Ed Sprague tripped to right field with John Olerud and Paul Molitor on base. Chicago then used its half of the inning to produce three runs on two hits as they sent nine men to the plate. Toronto starter Juan Guzman managed to hold the White Sox in check for six innings but walked eight batters and stranded 11 runners before exiting with a 5-3 lead. Jack McDowell lasted 6.2 innings, allowing 13 hits and all seven Toronto runs before the White Sox relief corps came on to hold Toronto for the remainder of the game. Danny Cox worked a scoreless 7th and 8th while allowing a lone single to Ozzie Guillen. Duane Ward came out for the 9th and walked the first two batters before striking out the side to end the Chicago threat.

GAME #2: Both clubs scored once in the opening inning, but it was the Blue Jays who prevailed as their two-run 4th provided the edge. The 3-1 win saw Toronto take a two games to none lead in the best-of-seven series. The 4th inning started with a pair of outs by Joe Carter and John Olerud. Paul Molitor then doubled off starter and loser Alex Fernandez. Next, Tony Fernandez singled to score Molitor and moved to second on the throw home. After an intentional walk to Ed Sprague, Pat Borders singled to second base but Joey Cora threw the ball away, allowing the third Toronto run to score. Dave Stewart worked six strong innings, surrendering just four hits (all singles) and one run for his seventh career ALCS win against no losses. Al Leiter was credited with a hold as he pitched the 7th and 8th innings before closer Duane Ward came in to save the game in the 9th.

GAME #3: Nineteen-game winner Pat Hentgen started for Toronto but could not collect a win on this day as Toronto suffered its worst defeat of the series, losing 6-1. The Blue Jays were able to hold off the White Sox attack until the third inning when they sent 10 players to the plate and combined for five runs on five singles. Hentgen lasted just three innings plus two batters before he was removed in favour of Danny Cox. Toronto scored their lone run in the bottom of the 3rd as Rickey Henderson scored from third on a Devon White single. Wilson Alvarez, the Chicago starter, pitched a complete game for his first career ALCS victory as he allowed seven hits while issuing two walks and striking out six. Tim Lincecum provided most of the offensive support for Chicago, going 4-for-5 with a run scored.

GAME #4: A two-run home run by center fielder Lance Johnson in the 2nd inning gave the White Sox a 2-0 lead over the Blue Jays. The light-hitting Johnson had not hit a home run since the 1992 regular season. Todd Stottlemyre, making his first start of the 1993 ALCS, lasted six innings for the home team but failed to hold onto a 3-2 lead that was handed to him in the 3rd when Toronto batted around on rookie starter Jason Bere. The right hander lasted just 2.1 innings before being pulled in favour of Tim Lincecum. Stottlemyre allowed three more Chicago runs in the 6th, including a Frank Thomas solo homer and a Lance Johnson triple before departing. Roberto Alomar doubled home Henderson in the bottom of the 6th to cut the Chicago lead to 5-4, but the visiting White Sox added a single run off Al Leiter in the 7th and another off Mike Timlin in the 9th to seal the win by a 7-4 margin.

GAME #5: As was the case with each of the previous four games, the team that scored first emerged victorious. This time, Toronto scored the opening run when Rickey Henderson crossed the plate in the 1st inning after leading off the game with a double and a stolen base. Starting pitcher Jack McDowell allowed a Toronto run in the 2nd and 3rd before being lifted through just 2.1 innings. Meanwhile, Blue Jays starter Juan Guzman cruised through the first 4.1 innings without allowing a hit or a walk until Ellis Burks went deep to left field for what was the only blemish on Guzman's slate that afternoon. He lasted seven innings, permitting just two hits while walking one and striking out six. Roberto Alomar reached base in all five plate appearances (three hits, two walks) to lead the Toronto attack. Tony Castillo worked a scoreless 8th, allowing a single and a base on balls. Duane Ward had some difficulty in the 9th. He struck out Joey Cora and Frank Thomas following a single to lead off the inning by Tim Lincecum. The righty then issued a two-run homer to Robin Ventura that brought Chicago within two. With the tying run at the plate, Ward struck out Bo Jackson to end the game and preserve the 5-3 Toronto win.

GAME #6: With his 7-0 record in ALCS play on the line, Blue Jays starter Dave Stewart provided the win which put Toronto into their second consecutive World Series as the Jays won, 6-3, over the White Sox. Toronto scored first with a pair of runs in the 2nd inning as a two-out single by catcher Pat Borders off Alex Fernandez cashed in John Olerud and Paul Molitor. The White Sox tied the game in the following frame when a bases-loaded walk by Frank Thomas and a fielder's choice by Robin Ventura scored two runs. Stewart managed to restrict the White Sox to just four hits and two earned runs before handing Duane Ward a 3-2 lead after 7.1 innings. Ward struck out the final two batters to end the eighth. The Blue Jays added to their lead as Devon White homered off reliever Scott Radinsky to make it a 4-2 contest. Toronto added two more runs before the inning was over as Paul Molitor tripled to center. Ward allowed his second home run of the series as Warren Newson hit a solo shot in the bottom of the 9th, but that was all the scoring that the Pale Hose could muster as the Blue Jays were crowned American League Champions for the second straight season.

WORLD SERIES

TORONTO VS. PHILADELPHIA (W, 4-2)

GAME #1: For the first time in baseball annals, the World Series began on Canadian soil. The Blue Jays fell behind 2-0 in the 1st inning as Phillies catcher Darren Daulton singled home a pair of runs off starting pitcher Juan Guzman. After holding Philadelphia in check in the top of the 2nd, Toronto rallied with two runs of its own on four singles off Curt Schilling. Both teams traded solo runs in the 3rd and 5th to keep the score knotted at 4-4. With one out in the bottom of the 6th, John Olerud took a first-pitch offering from Schilling over the right-field fence for a solo home run, putting Toronto ahead by one. Toronto scored what proved to be the winning run in the bottom of the 7th as four consecutive hits by Borders, Henderson, White and Alomar produced an 8-4 lead heading into the 8th. Al Leiter, who went on to be the winning pitcher, relieved Guzman to start the 6th and held the Phillies scoreless over 2.2 innings before turning the ball over to closer Duane Ward. Ward surrendered a run in the final inning as a Jim Eisenreich single scored John Kruk, who had led off the frame with a single and moved to second on an error. Ricky Jordan flied out to Joe Carter for the last out to put Toronto ahead, one game to none, with the 8-5 win.

GAME #2: The big inning turned out to the Philly advantage on this night as a Jim Eisenreich three-run homer in the top of the 3rd capped a five-run frame that saw eight Philadelphia batters step up to the plate. Toronto starter and eventual loser, Dave Stewart, lasted six innings with all five earned runs coming in that third frame. Toronto answered the Philly onslaught with a pair of runs in the bottom of the 4th as Joe Carter connected for his first of two World Series home runs. Philadelphia starter Terry Mulholland allowed just three runs over 5.2 innings before handing the ball to the bullpen. Lenny Dykstra led off the 7th inning with a solo homer off reliever Tony Castillo to stretch the Philly lead to three as the visitors were now ahead, 6-3. Toronto scored a lone run in the 8th as Paul Molitor led off with a double and eventually scored on a John Olerud sac fly. Philly relievers Roger Mason (1.2 innings) and Mitch Williams (1.2 innings) closed out the game to preserve the 6-4 win and even the series.

GAME #3: The venue moved from SkyDome to Veteran's Stadium in Philadelphia for the next three contests. This game featured solid pitching by the Blue Jays combined with a potent offense. The visiting Blue Jays jumped on Philly starter Danny Jackson in the top of the 1st as Paul Molitor drove home a pair of runs with a triple. He later scored on a Carter sacrifice fly to right field. Molitor added a solo homer in the 3rd to make it 4-0. Starting pitcher Pat Hentgen pitched six innings and allowed just one run, that coming in the 6th as a two-out single by Eisenreich scored John Kruk who had reached base via a walk. The Blue Jays added another run in the top of the 6th as Roberto Alomar scored on a sac fly, after reaching base on a single and stealing second and third. Toronto continued to add to their lead as they scored three more runs in the 7th off reliever Ben Rivera. Alomar finished the night with four hits while Molitor had three of his own to go along with three runs and three RBI. Duane Ward surrendered a solo homer to Milt Thompson in the 9th to make the final score Toronto 10, Philadelphia 3.

GAME #4: In a slugfest, the Blue Jays put together one of the wildest comebacks in World Series history to beat the Phillies, 15-14, and take a 3-1 series lead. Toronto opened the scoring with three runs in the 1st off Philly starter Tommy Greene. But the home team then took advantage of four 1st-inning walks by starter Todd Stottlemyre as they scored four times to move ahead, 4-3. Philadelphia added two more runs to their tally as Lenny Dykstra connected for his second homer of the series, a two-run shot in the next inning. The Blue Jays batted around in the 3rd and collected four runs to send Greene to the bench in favour of Roger Mason. Philadelphia then posted a five-run 5th that included home runs from Dykstra and Daulton to extend its lead to 12-7. Toronto countered with two runs in the top of the 6th as White and Alomar scored on a single and a ground out. The Phillies then added a run in the 6th and another in the 7th to make the score 14-9. However, the Phillies relief corps could not hold Toronto from making a comeback. In the top of the 8th, the Blue Jays sent 10 players to the plate. Devon White's triple with two out scored Pat Borders and Rickey Henderson to put Toronto ahead, 15-14. Mike Timlin started the 8th and struck out the first two batters he faced before Duane Ward came on to strikeout Dykstra to end the inning. In the 9th, Ward hurled a 1-2-3 inning for his second save of the series in a game that took four hours and 14 minutes to play and was the highest scoring game in World Series history. Tony Fernandez had five RBI in the game while White had four.

GAME #5: Curt Schilling shutout Toronto, 2-0, in what was the second ever shutout of the Jays in the postseason. Pitted against Blue Jays ace Juan Guzman, he allowed just five hits (all singles) and struck out six Toronto batters for his first World Series win. The Phillies scored the only run they needed in the 1st inning when Dykstra, who had walked to lead off the game, scored on a John Kruk groundout. They added a second run in the very next inning as a pair of doubles cashed in Derrin Daulton. In the eighth, the Blue Jays threatened with a pair of runners on base but a strikeout by Devon White, followed by a Roberto Alomar ground out, ended their attempt. Guzman was equal to the challenge as he went seven innings, allowing both Philly runs while fanning six. The win sent the series back to Toronto with the Blue Jays holding a 3-2 edge.

GAME #6: Toronto started their quest for a second straight World Series Championship early as they notched three runs off Philly starter Terry Mulholland in the bottom of the 1st inning. A run in the 4th and a solo home run by Molitor in the 5th put Toronto up 5-1. Dave Stewart, the Toronto starter, held the Phillies to just one run over his first six innings. In the seventh, he surrendered a three-run homer to Lenny Dykstra, which was his fourth home run of the series. That led to Stewart being pulled from the game. Reliever Danny Cox came in with none out and surrendered two more runs before the Phillies were halted by Al Leiter. The damage had been done and Philadelphia was now leading, 6-5. After leaving the bases loaded in the 8th, Toronto made World Series history by erasing a one-run lead in the bottom of the ninth. Mitch Williams came in to start the inning and walked Rickey Henderson who led off. After a Devon White fly out, Molitor singled to centre to put runners at first and second. Right fielder Joe Carter then stepped up to the plate. On a 2-2 offering from Williams, Carter homered over the left-field wall for a three-run home run and propelled Toronto to its second consecutive World Series Championship with an 8-6 win.

DIVISION SERIES

TORONTO VS. TEXAS (W, 3-2)

GAME #1: In Toronto's first post-season game since 1993, the team found itself down early as Texas got on the board first, scoring two runs in the 3rd inning. The Rangers then opened up a 4-1 lead after a two-run home run by Robinson Chirinos in the top of the 5th. Jose Bautista cut the lead to 4-3, hitting a solo home run in the 6th inning. That was as close as the Blue Jays came though, as Rougned Odor added his own solo shot in the 7th inning to seal a 5-3 victory for Yovani Gallardo and the Rangers.

GAME #2: Both teams got on the board early as starters Cole Hamels and Marcus Stroman each allowed three runs over the first two innings. Toronto held a 4-3 lead entering the 8th inning until pinch-hitter Mike Napoli singled off of reliever Brett Cecil to score Delino DeShields to even the score at 4-4. The game remained tied until the 14th inning when the Blue Jays bullpen allowed two runs on four consecutive hits with two out in the inning. Toronto failed to respond in their half of the frame, giving the Rangers a commanding 2-0 series lead with the series heading to Texas.

GAME #3: With their team facing elimination, Troy Tulowitzki and Marco Estrada each put together remarkable performances to force a fourth game, after a Blue Jays 5-1 win over Texas. Tulowitzki collected four RBI in the contest, including a three-run home run in the 6th inning to put Toronto ahead, 5-0. Starter Marco Estrada allowed just one run on five hits over 6.1 innings pitched to record the win, the team's first in the postseason since Game 6 of the 1993 World Series.

GAME #4: Toronto took charge early, building a 7-0 lead behind starter R. A. Dickey, hitting three home runs off of Texas' Derek Holland before chasing him from the game in the 3rd inning. With two on in the 5th, Dickey exited the game with a 7-1 lead and David Price entered the game in relief. Despite allowing three runs over his 3.0 innings pitched, Price secured the win for Toronto, with Kevin Pillar adding three RBI in the 8-4 victory to send the series back to Rogers Centre.

GAME #5: Facing their third straight elimination game, the Blue Jays found themselves down early after starter Marcus Stroman allowed two runs over the first three innings. Toronto cut into the lead with one run on a Jose Bautista RBI double in the 2nd frame. The score remained 2-1 until the 6th when Edwin Encarnacion connected for a solo blast to tie the game at two. The Rangers retook the lead in the next frame after the ball struck the bat of Shin Soo Choo during Russell Martin's throw back to pitcher Aaron Sanchez. The ball deflected off the third baseline, allowing Rougned Odor to score from third. Although initially sent back to third, after much deliberation between umpires and both managers, John Gibbons and Jeff Bannister, the run stood, allowing the Rangers to take a 3-2 lead with the Blue Jays playing the game under protest. In the bottom of the 7th, Toronto's first three batters reached base following three consecutive errors by Rangers infielders. Josh Donaldson tied the game, hitting a sac fly to score Kevin Pillar. With two on and one out, Jose Bautista hit a three-run home run to put Toronto ahead, 6-3. Relievers Aaron Sanchez and Roberto Osuna held the Rangers scoreless over the next two innings to secure the team's third consecutive win and claim the series, 3-2.

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS. KANSAS CITY (L, 2-4)

GAME #1: The Blue Jays opened the second round of the playoffs by being shutout by the Royals in Kansas City. Toronto starter Marco Estrada allowed three runs over his 5.1 innings, including a solo home run by Salvador Perez in the 4th. The Toronto offense was stymied by KC starter Edinson Volquez and the Royals bullpen, being held to just three hits in the game. Kansas City added two more runs late in the game to secure a 5-0 victory and a 1-0 series lead.

GAME #2: Looking to tie the series at one game apiece, Toronto turned to David Price in Game 2. The Blue Jays starter cruised through the first six innings, retiring 18 consecutive batters at one point to set a new club playoff record. With the Blue Jays leading 3-0 in the 7th, the Royals bats came alive, scoring five runs off of Price. Kansas City tacked on another run in the 8th inning to take a commanding 6-3 lead. The Blue Jays left nine men on base and were shutout over the final 3.2 innings by the Royals bullpen.

GAME #3: Trailing 1-0 after the 1st inning, Toronto rallied and tagged Kansas City starter Johnny Cueto for eight runs, chasing him from the game in the 3rd. The Blue Jays took a 9-2 lead after a six-run 3rd inning, highlighted by a Troy Tulowitzki three-run home run and a two-run shot by Josh Donaldson. Toronto went on to add two more runs, including a solo home run by Ryan Goins, joining Donaldson and Tulowitzki as the only trio of Blue Jays teammates to each record three RBI in a single playoff game in club history. The Royals struck for four runs in the 9th inning, but Toronto held on for an 11-8 victory.

GAME #4: Toronto starter R.A. Dickey lasted only 1.2 innings, the shortest start by any Blue Jays starter in franchise post-season history, after allowing five runs, including four in the opening frame. The Jays plated two in the 4th off of KC starter Chris Young, the only runs they scored in the contest. Kansas City added nine runs over the final three innings to trounce the Blue Jays, 14-2, in a game that saw Toronto infielder Cliff Pennington enter the game as a reliever to record the final out of the eighth inning, becoming the first position player to pitch in the MLB postseason.

GAME #5: Manager John Gibbons turned to Marco Estrada in hopes of keeping the season alive. Estrada did not disappoint, allowing just one run on three hits over 7.2 innings. Toronto held a one-run lead entering the 6th frame before breaking out for four runs in the inning, with three of those runs driven in by a Troy Tulowitzki double. Toronto added two more runs in the game while the bullpen held the Royals to just one hit over the final 1.1 innings of the game to secure the victory and send the series back to Kansas City.

GAME #6: In their fifth elimination game of the postseason, Toronto found itself down 2-0 after two innings as starter David Price surrendered two solo home runs. A solo shot by Jose Bautista in 4th cut the Jays' deficit in half. The Royals added another in the 7th inning before Bautista answered back with a two-run home run to tie the game, 3-3, in the 7th inning, becoming the first Blue Jay in franchise history to record a multi-home run game in the postseason. Kansas City retook the lead in the top of the 8th as Eric Hosmer singled off of Roberto Osuna to drive home Lorenzo Cain for the 4-3 advantage. In the top of the 9th, Toronto had runners on second and third with none out but failed to drive home either runner as Wade Davis struck out two before inducing a groundout by Josh Donaldson to end the series.

TORONTO VS. BALTIMORE (W, 1-0)

After clinching a playoff berth on the final day of the regular season, Toronto found itself hosting the club's first ever Wild Card game vs. the Orioles. The Blue Jays opened the scoring in the 2nd inning, courtesy of a Jose Bautista solo shot off of Baltimore starter Chris Tillman. The Orioles then took the lead in the following frame on a two-run home run by Mark Trumbo off of Toronto starter Marcus Stroman. In the bottom of the 5th, Ezequiel Carrera singled to drive home Michael Saunders, who doubled to open the frame. The game remained tied at two, forcing extra innings. In the bottom of the 11th inning, with two runners on and one out, Edwin Encarnacion hit a three-run walk-off home run off of Ubaldo Jimenez to send the Blue Jays to the ALDS.

DIVISION SERIES

TORONTO VS. TEXAS (W, 3-0)

GAME #1: A rematch of the 2015 ALDS saw Toronto square-off at Texas. The game remained scoreless until the 3rd inning when the Blue Jays scored five runs with two outs, highlighted by a three-run triple by Troy Tulowitzki. Toronto added two more runs in the 4th and another three in the 9th, courtesy of a Jose Bautista three-run home run. Blue Jays starter Marco Estrada tossed eight scoreless innings before allowing a run in the 9th (8.1 IP, 4H, 6K), leading the Jays to a 10-1 victory and a 1-0 series lead.

GAME #2: Looking to go up 2-0 in the ALDS, the Blue Jays struck first, opening the scoring in the 2nd inning on a two-run home run by Troy Tulowitzki. The Rangers got a run back in the 4th to cut Toronto's lead to one. The Blue Jays answered with three solo shots by Kevin Pillar, Ezequiel Carrera, and Edwin Encarnacion, off of Rangers starter Yu Darvish in the 5th inning to take a four-run lead. It marked the first time in club history to hit three home runs in a single inning in postseason play. Those five runs were all Toronto needed, winning the game, 5-3, to push Texas to the brink of elimination.

GAME #3: For the first time in the series the Blue Jays found themselves trailing in a game, after the Rangers opened the scoring by plating a run in the 1st inning. By the end of the inning the Jays found themselves, once again, in the lead, this time by a 3-1 score after a two-run home run by Edwin Encarnacion and a Russell Martin solo shot. The two teams each struck again in the 3rd frame, with Texas adding another run, courtesy of an Elvis Andrus home run, and the Blue Jays responding with another two of their own. The Rangers then took a 6-5 lead in the top of the 6th inning, having scored all six runs off of Toronto starter Aaron Sanchez. The Blue Jays once again tied the contest up in their half of the inning, with Troy Tulowitzki scoring on a passed ball. Both teams failed to plate another run, forcing the game into extra innings. In the bottom of the 10th, Josh Donaldson led off with a double, followed by an Edwin Encarnacion intentional walk. Two batters later, Russell Martin grounded into a fielder's choice with Donaldson moving up to third base on the play. On the throwing error by Texas second baseman Rougned Odor, Donaldson scored to win the game in a walk-off to sweep the series, 3-0.

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS. CLEVELAND (L, 1-4)

GAME #1: For the second consecutive season Toronto found itself in the ALCS, facing the Indians in a playoff series for the first time in club history. The game remained scoreless until the 6th inning when Francisco Lindor hit a two-run home run off of Marco Estrada. Those two runs were the only ones scored in the game, with Toronto falling, 2-0, in the opening game. Estrada recorded his first career complete game in the loss, joining Jack Morris as the only Blue Jays pitchers in team history to throw a complete game in the postseason.

GAME #2: The Blue Jays once again found themselves trailing Cleveland after the Indians scored a run in the 2nd inning. Toronto tied the game in the following frame before seeing the lead relinquished in the bottom of the 3rd. The Blue Jays could muster only three hits in the contest, falling 2-1 in the game and into an 0-2 hole in the ALCS for a second straight year.

GAME #3: For the third consecutive game, the Indians opened the scoring, taking a 1-0 lead after the 1st inning. The Blue Jays responded in the 2nd, scoring a run of their own against the Cleveland bullpen, as starter Trevor Bauer was removed from the game after throwing only 21 pitches, which was due to a significant finger injury. After both teams exchanged runs, the Indians took the lead for good, scoring two more runs in the 6th off of Toronto starter Marcus Stroman. It marked the first time in franchise history that the Blue Jays found themselves down 0-3 in a post-season series.

GAME #4: Facing elimination for the second time in the playoffs, Toronto turned to Aaron Sanchez to keep their playoff hopes alive. For the first time in the series, the Blue Jays scored first and had their first lead of the ALCS. Cleveland cut their lead to 2-1 after the 5th inning. That would be as close as they would get with Sanchez allowing only two hits over his 6.0 innings of work. The Jays added two runs in the 7th on an Edwin Encarnacion bases-loaded single. They then tacked on one more in the 8th via a sacrifice fly from Kevin Pillar to take the game, 5-1.

GAME #5: For the fourth time over the five games, Cleveland jumped out to an early lead after scoring an unearned run in the 1st inning. Rookie Ryan Merritt shut the Toronto offense down for 4.1 innings, allowing only two hits. The Indians scored two more runs, both solo home runs off of Marco Estrada. The Blue Jays failed to muster any sort of offense, falling 3-0 in the game and 4-1 in the series.

2020

WILD CARD

TORONTO VS. TAMPA BAY (L, 0-2)

GAME #1: Holding a 32-28 record after a shortened 60-game season, the Blue Jays returned to the postseason as the 8th seed in the American League. In the new 16-team playoff format, Toronto travelled to Tampa Bay for the entirety of the best-of-three Wild Card Series. The Jays outlit the Rays, 5-4, in Game 1 but were handed a 3-1 loss. Rowdy Tellez had a pinch-hit single and scored the team's lone run on a Bo Bichette sacrifice fly in the 8th inning.

GAME #2: The Rays used a six-run 2nd inning to power their way to an 8-2 victory and the series sweep. Mike Zunino hit a two-run homer and Hunter Renfroe belted a grand slam to cap Tampa Bay's 2nd-inning surge. Both of Toronto's runs came off of the bat of Danny Jansen, as he joined Jose Bautista as the only players in franchise history to record a multi-homer game in the playoffs.

2022

WILD CARD

TORONTO VS. SEATTLE (L, 0-2)

GAME #1: The Blue Jays reached the playoffs with 92 wins and the top Wild Card spot, playing host to the Mariners for the best-of-three series in a revamped, 12-team, postseason format. Luis Castillo made his mark for the M's as he tossed 7.1 shutout frames, leading to a 4-0 Seattle victory. Matt Chapman managed Toronto's only extra-base hit as he went 2-for-4 with a double.

GAME #2: Toronto built up an 8-1 lead through five innings but was eventually ousted from the postseason as Seattle came back for a 10-9 win. The Blue Jays' offense was largely driven by Teoscar Hernández who belted a pair of home runs to finish 2-for-4 with four RBI and three runs scored. He joined Jose Bautista and Danny Jansen as the only players in franchise history to record a multi-homer game in the postseason.

2023

WILD CARD

TORONTO VS. MINNESOTA (L, 0-2)

GAME #1: Toronto finished the regular season with 89 wins and the final American League Wild Card spot, enough for a best-of-three series in Minnesota. The Blue Jays kept the Twins to a total of five hits in Game 1, but ultimately fell by a 3-1 final. Kevin Kiermaier drove in Toronto's lone run as he finished 2-for-3 with a walk.

GAME #2: The Blue Jays managed to generate nine hits but were blanked, 2-0, by Sonny Gray and five Twins relievers. Bo Bichette recorded his second multi-hit game of the series while Santiago Espinal, Alejandro Kirk, and George Springer all chipped in with a pair of singles each. Minnesota shortstop Carlos Correa had the club's lone RBI of the day, squeaking a bases-loaded single up the middle for the go-ahead run in the 4th inning.

OPENING UP

Toronto's 16-inning contest at Cleveland to begin the 2012 season was the longest Opening Day game in Major League history. The Blue Jays won, 7-4, in 16 innings after J.P. Arencibia broke the tie with a three-run home run.

In fact, the Blue Jays started the 2012 season with consecutive extra-inning games for the first time in franchise history. It marked the 5th time in MLB history that a team started 2-0 with two extra-innings wins on the road, the others being the 1908 St. Louis Browns, 1910 Cleveland Naps, 1935 Cleveland Indians and 2007 Atlanta Braves.

NATIONAL BASEBALL HALL OF FAME

Roberto Alomar

SECOND BASEMAN

On July 24, 2011, Roberto Alomar was enshrined to the Baseball Hall of Fame. The second basemen was just the third Puerto Rican inductee, and the first Hall of Famer to be inducted as a member of the Toronto Blue Jays.

In five seasons with the Blue Jays from 1991 through 1995, Alomar displayed sparkling defense while winning five straight Gold Gloves. He was part of both World Series clubs, batting .373 across his 29 playoff games as a Blue Jay.

Alomar never hit less than .295 while with Toronto and finished third in the American League behind teammates John Olerud and Paul Molitor with a .326 average in 1993. His five-year mark of .307 gives him the highest lifetime average of any player in Blue Jays history.

Over the course of his 17-year Major League career, Alomar hit .300 with a .371 on-base percentage. He totaled 2,724 hits, 1,508 runs, 504 doubles, 80 triples, 210 home runs, 474 stolen bases, and 1,134 RBI.

Tom Cheek

BLUE JAYS RADIO BROADCASTER

On July 27, 2013, Tom Cheek was inducted into the National Baseball Hall of Fame as the 2013 recipient of the Ford C. Frick Award. This award is presented annually for excellence in broadcasting by the National Baseball Hall of Fame and Museum.

Cheek, who passed away on October 9, 2005, called the first 4,306 regular-season and 41 postseason games in Toronto Blue Jays history, including the club's two World Series victories, from Toronto's first contest until June 2, 2004. His wife, Shirley Cheek, was on hand with her family to accept the 2013 Ford C. Frick award for broadcasting excellence on behalf of her husband.

"Tom Cheek was the voice of summer for generations of baseball fans in Canada and beyond," said Hall of Fame President Jeff Idelson. "He helped a nation understand the elements of the game and swoon for the summer excitement that the expansion franchise brought a hockey-crazed nation starting in the late 1970s. He then authored the vocal narrative of a team that evolved into one of the most consistent clubs of the 1980s and 1990s. We are thrilled to celebrate Tom's legacy with baseball broadcasting's highest honour."

His call of Joe Carter's World Series-winning home run in Game 6 of the 1993 Fall Classic – "Touch 'em all, Joe! You'll never hit a bigger home run in your life." – quickly became embedded in the hearts of Blue Jays fans around the globe.

TORONTO BLUE JAYS™

RETIRED NUMBERS

Roy Halladay

PITCHER

Eight-time All-Star Roy Halladay had his number raised to the rafters in a pregame Opening Day ceremony on March 29, 2018.

Doc's wife, Brandy, and two sons, Braden and Ryan, took the field with former Blue Jays players, Pat Hentgen, Chris Carpenter, Paul Quantrill, Scott Rolen, Jose Cruz Jr., Jason Fraser, Paul Spoljaric and Cito Gaston for the ceremony.

Halladay, who passed away in a plane crash on November 7, 2017, had his number 32 displayed as a commemorative patch on the left sleeve of all Blue Jays uniforms throughout the 2018 season.

"Through Roy's values, pride, work ethic, and perseverance, he epitomized what it means to be a Blue Jay. And while his legacy is clear, it goes far beyond the number on his back or his on-field accomplishments, serving as a shining example of how to live a meaningful life and positively impact others."

Mark Shapiro
President & CEO,
Toronto Blue Jays

LEVEL OF EXCELLENCE

The Level of Excellence is an award bestowed by the Toronto Blue Jays Baseball Club, recognizing tremendous individual achievement. The names and, in some cases, uniform numbers of each of the honourees are displayed on the facing of 500 Level in Rogers Centre. The recipients of this prestigious award are as follows: **JOSÉ BAUTISTA** (August 12, 2023), **PAUL BEESTON** (April 4, 2008), **GEORGE BELL** (April 9, 1996), **JOE CARTER** (July 30, 1999), **TOM CHEEK** (August 29, 2004), **CARLOS DELGADO** (July 21, 2013), **TONY FERNANDEZ** (September 23, 2001), **CITO GASTON** (July 30, 1999), **PAT GILLICK** (August 7, 2002), **ROY HALLADAY** (March 29, 2018), and **DAVE STIEB** (April 9, 1996).

José Bautista

OUTFIELDER

JOSÉ BAUTISTA, was acquired by the Blue Jays on August 21, 2008, and soon became a household name and the cornerstone of the organization for the next decade. He set a single-season franchise record with an MLB-high 54 home runs in 2010, a season that saw him win three American League Player of the Week Awards and claim two American League Player of the Month bids while being named an All-Star for the first time in his career. From 2010 to 2015, Bautista hit more home runs than any other player while winning three Silver Slugger Awards (2010, 2011, 2014) and appearing in six straight MLB All-Star Games (2010-2015). For all his regular season success, the outfielder's biggest mark was made in 2015 as the club returned to the postseason for the first time in 22 years. During Game 5 of the 2015 ALDS against the Texas Rangers, Bautista's 7th-inning tie-breaking three-run home run and subsequent bat flip shook the foundation of Rogers Centre and brought the entire country to its feet. "Joey Bats" finished his 15-year Major League career with 344 homers and 975 RBI. He still ranks top-five in Blue Jays history in games (1,235), runs (790), home runs (288), RBI (766), walks (803), OBP (.372), SLG (.506), and OPS (.878).

Paul Beeston

CHIEF EXECUTIVE OFFICER

PAUL BEESTON, a Welland, ON. native, is one of the Toronto Blue Jays founding fathers. He was the first employee of the Toronto Blue Jays, joining the club on May 10, 1976, only a month and a half after the granting of the Franchise. He became Vice-President of Business Operations in 1977, Executive Vice-President, Business in 1984, President and Chief Operating Officer in 1989 and Chief Executive Officer in 1991. His hard work and dedication have been recognized by many and in 1988, was named a Member of the Order of Canada. He was elected to the Board of Directors of the Baseball Hall of Fame in 1998 and was inducted into the Canadian Baseball Hall of Fame in 2002. From 1997 until 2002, Paul was President & COO of Major League Baseball in New York City. He then returned to Toronto in 2002 and served on the board of a number of philanthropic endeavours. On October 14, 2008, he was appointed CEO of the Toronto Blue Jays on an interim basis, responsible for the day-to-day operations of the baseball club and Rogers Centre. On October 27, 2009, he had the interim tag lifted and was appointed CEO of the Toronto Blue Jays and Rogers Centre. Following the 2015 season, Paul retired as Mark Shapiro replaced him as President & CEO of the Toronto Blue Jays and Rogers Centre.

George Bell

OUTFIELDER

GEORGE BELL spent nine seasons with Toronto and ranks 3rd in club history in total bases (2,201), RBI (740) and extra base hits (471). He is one of six players in the Club's history to have hit at least 200 home runs as a Blue Jay, ranking 6th with 202. In 1987, he was named the American League MVP, the first Blue Jay in club history to achieve the honour. That season he batted .308 with 47 home runs and 134 RBI. Made his first of two All-Star appearances in 1987 when he became the first Blue Jay ever voted to the starting lineup. During his nine seasons, was a four-time club MVP, the Sporting News AL and Major League Player of the Year in 1987, a three-time Sporting News Silver Slugger, a two-time Sporting News All-Star team selection and the American League Player of the Week eight times. He also set a Major League record, hitting three home runs in an Opening Day game on April 4, 1988 at Kansas City.

Joe Carter

OUTFIELDER

JOE CARTER ranks 5th in club history with 203 home runs but will forever be remembered for just one, the 9th-inning blast on October 23 to win the 1993 World Series. In 1,039 games from 1991 to 1997 with Toronto, he hit .257 with 578 runs scored, 218 doubles, 28 triples, 203 home runs, 736 RBI and 78 stolen bases. During his seven seasons he represented Toronto in five All-Star games including 1991 in Toronto, his first season with the Blue Jays after he was acquired from San Diego along with Roberto Alomar on December 5, 1990 in exchange for Tony Fernandez and Fred McGriff. Along with his tremendous on-field accomplishments, Joe and his wife were active off the field as the Diana & Joe Carter Foundation operated the "Jumpin' with Joe" program which provided needy children throughout the Toronto area with a day at Teen-Ranch, Christian Youth Camp and tickets for a Toronto Blue Jays game where Joe would speak to all of the children. He worked with many other charities including Ronald McDonald House and also hosted an annual charity golf tournament. In his 16-year Major League career, Carter hit .259 with 432 doubles, 396 homers and 1,445 RBI while playing for the Chicago Cubs (1983), Cleveland Indians (1984-1989), San Diego Padres (1990), Toronto Blue Jays (1991-1997), Baltimore Orioles (1998) and the San Francisco Giants (1998).

Tom Cheek

BROADCASTER

TOM CHEEK, who called the first 4,306 regular-season and 41 postseason games in Toronto Blue Jays history, was selected as the 2013 recipient of the Ford C. Frick Award, presented annually for excellence in broadcasting by the National Baseball Hall of Fame and Museum. Cheek, who passed away after a lengthy and brave battle with brain cancer on Oct. 9, 2005, was honoured as part of Hall of Fame Weekend 2013, July 26-29 in Cooperstown, N.Y. He stood as the radio voice of the Blue Jays and, as one fan wrote, the "soundtrack of summer in Toronto" since the club's inception through 2004. He broadcast 4,306 consecutive regular season games (and 41 postseason contests) from 1977 through the midway point of the 2004 season when he was called away from the booth first by the sudden passing of his father and later by his own personal health problems. The banner in the Level of Excellence bearing his name, first unveiled in formal ceremonies held on August 29, 2004, is adorned with the number 4,306. That pays tribute to his longevity as the iron-man of baseball broadcasting. A veteran of the radio industry, he first joined the Blue Jays prior to the club's inaugural season after spending three seasons working on Montreal Expos broadcasts. Tom had been calling the balls, strikes and home runs starting with Doug Ault's big blasts on Opening Day in 1977. His call of Joe Carter's dramatic home run to win the 1993 World Series - "Touch 'em all, Joel. You'll never hit a bigger home run in your life." - stands as one of the most memorable and famous moments in Canadian sports broadcasting history.

Carlos Delgado

FIRST BASEMAN

CARLOS DELGADO made his debut in 1993 and would remain with the club for 12 seasons, finishing as the franchise leader in home runs (336), RBI (1,058), walks (827), slugging percentage (.556), OPS (.949), runs (889), total bases (2,786), doubles (343), extra base hits (690), times on base (2,362), hit-by-pitch (122), intentional walks (128) and at-bats per home run (14.9). The two-time All-Star (2000 and 2003) holds several Blue Jays single-season and career records. He won the Hank Aaron Award and Sporting News Player of the Year Award in 2000 and the Silver Slugger Award in 1999, 2000, and 2003. The first baseman finished his 17-year career with 473 home runs and 1,512 RBI across 2,035 games.

Tony Fernandez

SHORTSTOP

TONY FERNANDEZ is the franchise leader in games (1,450), hits (1,583), triples (72), and ranks 3rd in doubles (291), 3rd in AVG (.297), 4th in stolen bases (172), 5th in runs (704), 5th in total bases (2,198), and 6th in walks (439). He had four separate stints with the Blue Jays totalling 12 seasons and was a member of the 1993 World Series Champions where he led the team with nine RBI and batted .333 in the six World Series games. Fernandez was selected to five All-Star teams, including four with Toronto, and won four straight AL Gold Glove Awards at shortstop from 1986 to 1989 with the Blue Jays. He still ranks 11th on the all-time hits list for a Dominican born player (2,276 total).

Cito Gaston

MANAGER

CITO GASTON led the Blue Jays to two World Championships, two American League Championships and four American League East titles in nine seasons as the Manager from 1989 to 1997. He began as the Blue Jays' hitting coach in 1981 where he groomed many young players including George Bell, Lloyd Moseby, Cecil Fielder, Jesse Barfield and Fred McGriff. In 1989 he served as the interim manager of the club before he was named the 5th manager in team history on May 31, 1989. Gaston had the honour of managing in two All-Star games, 1993 and 1994. During his years as manager he gave much of his time to charity events throughout Toronto including the annual Cito Gaston Golf Classic. Gaston returned to the Blue Jays for two seasons as hitting coach in 2000 and 2001. He was named Club Ambassador and Special Assistant to the President and CEO, along with former Blue Jay right-hander Pat Hentgen, in early 2007. On June 20, 2008, Gaston was named Manager of the Toronto Blue Jays, his 2nd stint as the club's skipper. In 2010, his last season as manager, he led the Blue Jays to an 85-77 record. Gaston has a club-high 913 victories as the Blue Jays manager (913-851 overall).

Pat Gillick

GENERAL MANAGER

PAT GILLICK, who was instrumental in building the organization from an expansion team in 1977 to World Series Champions in 1992 and 1993, was inducted into the National Baseball Hall of Fame in Cooperstown on July 24, 2011, along with the player he brought over from San Diego to Toronto, Roberto Alomar. He was the 6th man to be honoured by the Toronto Blue Jays to the Level of Excellence in August of 2002. Gillick began his career with the Blue Jays in 1976 as the VP of Player Personnel. He was responsible for the development of players like Dave Stieb, Jesse Barfield and Jimmy Key through the draft and utilized the Major League Rule 5 draft to secure talents such as Willie Upshaw, George Bell, Jim Gott and Kelly Gruber. Gillick was known for completing shrewd trades to acquire the likes of Alfredo Griffin, Damaso Garcia, Fred McGriff, Roberto Alomar, Joe Carter and assembling talent like Tom Henke, Devon White, Dave Winfield, Jack Morris and Paul Molitor. During his tenure, the Blue Jays produced 11 consecutive winning seasons from 1983 to 1993 and in that span, brought five American League East Division titles to Toronto, two American League championships and World Series titles in 1992 and 1993.

Roy Halladay

PITCHER

ROY HALLADAY was drafted by the Blue Jays as the 17th overall pick in 1995 out of Denver, CO. In only his second big league start in 1998, he took a no-hitter into the ninth inning against the Tigers for a complete game win. When the 2000 season started, Roy began his year with the Dunedin Blue Jays, where his hard work, determination, and resilience resulted in him recreating himself as a pitcher, both physically and mentally. Over the 11 seasons that followed, Halladay cemented his imprint on the game as one of the greatest pitchers of his generation. His accomplishments included eight All-Star appearances and two Cy Young awards - one of six pitchers to win the honour in both the American and National Leagues. At the time of his retirement, he was the active Major League leader in complete games with 67, including 20 shutouts.

Dave Stieb

PITCHER

DAVE STIEB is the franchise leader in wins (175), innings pitched (2873.0), strikeouts (1658), games started (408), shutouts (30) and complete games (103). The righty spent 15 seasons with Toronto, longer than any player in franchise history. He appeared in seven All-Star games and was the starting pitcher in both 1983 and 1984. Stieb recorded the only no-hitter in Blue Jays history on September 2, 1990 in Cleveland. In 1982, he was named the Sporting News Pitcher of the Year after a 17-14 season with a 3.25 ERA and led the league in innings (288.0) and complete games (20). Stieb was the Blue Jays Pitcher of the Year six times, a three-time winner of the AL Pitcher of the Month and a three-time winner of the AL Player of the Week.

TORONTO CHAPTER BBWAA AWARD WINNERS

Each year, the members of the Toronto chapter of the BBWAA select the Blue Jays top player, pitcher and rookie as well as the team's most improved player. The player of the year receives the Neil MacCarr Award, named for the longtime baseball writer from the Toronto Star. The John Cerutti Award is given annually, as voted by the Toronto Chapter of the BBWAA, to a person associated with the day-to-day workings of Blue Jays' baseball who displays goodwill, cooperation and character, as exemplified by the late John Cerutti.

PLAYER AND PITCHER OF THE MONTH

Each month throughout the season, the Toronto Chapter of the Baseball Writers Association of America votes for the player and pitcher based on their appraisal of that player's or pitcher's performance during that particular month.

* The award was combined to include both players and pitchers as a single monthly award in 2017, which then was decided via a @BlueJays twitter poll, and re-named "Honda Player of the Month" until 2021.

MAJOR LEAGUE AWARDS

ALLAN H. SELIG AWARD FOR PHILANTHROPIC EXCELLENCE

The Allan H. Selig Award for Philanthropic Excellence, formerly known as the Commissioner's Award for Philanthropic Excellence, was created in 2010 to recognize the charitable and philanthropic efforts of MLB Clubs. The Toronto Blue Jays are one of just two clubs to have received the Award twice:

2012:

Honoured for the Toronto Blue Jays Baseball Academy, a series of initiatives to help support youth across Canada and provide them with opportunities on and off the field of play, including Rookie League, Field of Dreams, Super Camps and Instructional Clinics.

2020:

Acknowledged for their extensive efforts throughout the COVID-19 pandemic, including 8.1 million meals delivered to food insecure Canadians; 14,200 youth in Jays Care virtual programming; 1,500 teachers, youth leaders, and volunteers trained to run best-in-class virtual programming; 20,000 volunteer hours provided from Blue Jays, Jays Care, and Rogers staff from coast-to-coast-to-coast; and 2,000 adaptive equipment kits delivered to families of children living with disabilities (Challenger Baseball).

CLUB AWARDS

BOBBY MATTICK AND AL LAMACCHIA AWARDS

In 1996, the Blue Jays organization established two awards: the **Bobby Mattick Player Development Award** and the **Al LaMacchia Scouting Award**. The awards were created to acknowledge the dedication, success and work ethic of Blue Jays baseball operations personnel, attributes so aptly displayed by the awards' namesakes. The Bobby Mattick Award was named after the longtime baseball executive who had spent 25 years of his career with the Blue Jays. The late Bobby Mattick was responsible for the development of many of the young players who have gone through the Blue Jays system. As well as being Director of Player Development for many years he also managed the Major League Blue Jays for two seasons in 1980 and 1981. The Al LaMacchia Award was named after the veteran scout who spent 20 seasons with the Blue Jays. The late Al LaMacchia's scouting talents have been deeply etched in the Blue Jays short history. In 2003, the Blue Jays introduced a **Community Service Award**. In 2009, the Blue Jays began giving out an award for the **Pro-Scout of the Year Award**.

HOME RUN TRIVIA

PLAYER WHO HOMERED IN THEIR FINAL MAJOR LEAGUE AT-BAT

WILLIE AIKENS, April 27, 1985. He came to bat for last time, pinch-hitting at Texas in the 9th inning. Batting for Tony Fernandez against Tommy Boggs, Aikens crushed a dramatic game-tying, two-run homer and Toronto went on to win 9-8. Three days later, Aikens was "designated for assignment" winding up in the minor leagues.

TWO IN ONE INNING, BATTER

JOE CARTER was the first Blue Jay to hit two home runs in one inning. He had his two on Oct. 3, 1993 at Baltimore in the 2nd inning.

EDWIN ENCARNACION became just the 2nd player in club history to hit two home runs in one inning. He had his two on July 26, 2013 vs. Houston in the 7th inning.

40 HOME RUN SEASONS

In 1999, **CARLOS DELGADO** with 44 home runs and **SHAWN GREEN** with 42 home runs, became the first Blue Jays tandem to each hit 40 or more home runs in the same season. In 2000, the Blue Jays again had two players, **CARLOS DELGADO** and **TONY BATISTA**, each hit 40 plus homers in a season. In 2015, **JOSH DONALDSON** hit 41 home runs while teammate **JOSE BAUTISTA** hit 40, marking the 3rd time in club history in which two teammates each hit 40. In 2021, **VLADIMIR GUERRERO JR.** clubbed 48 homers while **MARCUS SEMIEN** notched 45, the 4th time a pair of teammates have hit 40+ homers and the first time they've each hit at least 45. Overall the Blue Jays have had 11 different players, done 16 times, hit 40 or more home runs in a season. **JOSE BAUTISTA** hit a club-record 54 HR in 2010 and became just the 2nd Jay

to collect 40+ HR in back-to-back seasons, the first since **CARLOS DELGADO** (1999-2000). **CARLOS DELGADO** is the only Blue Jay player to hit 40 or more home runs in a season three times (1999, 2000, 2003).

HOME RUNS BY THE FIRST TWO BATTERS OF GAME

DEVON WHITE and **ROBERTO ALOMAR** on August 18, 1991 at Detroit accomplished this feat for the first time in Blue Jays history. The second time occurred on June 14, 2006 vs. Baltimore when **ALEX RIOS** and **FRANK CATALANOTTO** did so. The third such start came on May 22, 2016 at MIN, via homers from **JOSE BAUTISTA** and **JOSH DONALDSON**. The fourth occurrence came on July 27, 2018 at CWS from **CURTIS GRANDERSON** and **LOURDES GURRIEL JR.** The most recent instance involved **MARCUS SEMIEN** and **BO BICHETTE** on May 16, 2021 vs. PHI.

MOST PLAYERS WITH 30 OR MORE HOME RUNS

The 2000 Blue Jays had four players hit 30-or-more home runs, which tied the MLB record at the time (MIN - five in 2019). It was then just the second time the feat had been accomplished in the AL as the Anaheim Angels also had four players hit 30-plus homers in the 2000 season.

20 HOME RUNS AT THE ALL-STAR BREAK

The 2000 Blue Jays became the first team in Major League history to have four players hit 20-or-more home runs at the All-Star Break. **CARLOS DELGADO** hit 28, **TONY BAUTISTA** hit 24, **RAUL MONDESI** hit 22, and **JOSE CRUZ Jr.** hit 20.

10 CONSECUTIVE HITS

The Toronto Blue Jays tied an American League record on September 4, 1992 at SkyDome by collecting 10 consecutive hits in an eight-run 2nd inning against the Minnesota Twins.

The Blue Jays tied the mark set by the Boston Red Sox on June 2, 1901 and equalled by the Detroit Tigers on September 20, 1983.

The Major League record of 12 straight hits was set by the St. Louis Cardinals in 1920 and equalled by the Brooklyn Dodgers in 1930.

With one out in the 2nd, Toronto's Kelly Gruber reached on an infield single against Twins' starter Kevin Tapani. Singles by Pat Borders and Manuel Lee scored Gruber to cut Minnesota's lead to 3-1.

Devon White doubled in a run and Roberto Alomar followed with a two-run single to give the Blue Jays a 4-3 lead. Joe Carter tripled home Alomar and scored on Dave Winfield's single off reliever Tom Edens. Winfield was thrown out at second for the inning's second out, but John Olerud singled and scored on Candy Maldonado's triple to open a 7-3 cushion. Gruber's bloop double to right-center scored Maldonado for the 10th straight hit.

Borders then flied to center to end the inning.

Toronto's previous club record was nine consecutive hits, set against California on July 3, 1992.

HOME RUNS, FIRST MAJOR LEAGUE AT-BAT

When **AL WOODS** batted for Steve Bowling in the 5th inning on Apr. 7, 1977, he became the 11th player in Major League history to hit a home run as a pinch-hitter in his first at-bat.

JUNIOR FELIX became the 11th Major League player to homer on his first big-league pitch on May 4, 1989 vs. California's Kirk McCaskill (solo).

J.P. ARENCIBIA became the 3rd Blue Jay to homer in his first MLB plate appearance and 2nd to do so on the first pitch, on Aug. 7, 2010, off Tampa Bay's James Shields (2R)...Became the 5th player in MLB history to hit two homers in his first game and was the first catcher to do so.

DAVIS SCHNEIDER became the 4th player in Toronto history to go deep in his first MLB plate appearance, launching a solo shot over the Green Monster off James Paxton on Aug. 4, 2023 at Fenway Park.

WALK-OFF HOME RUNS (TOR – 91/OPP. – 106)

The Toronto Blue Jays have recorded 90 total walk-off home runs in franchise history...On July 30, 2017 vs. LAA, Steve Pearce capped a dramatic 9th-inning comeback with a walk-off grand slam as the Blue Jays overcame a 10-4 deficit to earn an 11-10 victory...Pearce hit a walk-off grand slam three days earlier in the Jays' 8-4 win in 10 innings against OAK...That is the shortest span between walk-off grand slams by any player in Major League history, the previous shortest being 100 days by the Mariners' Jim Presley in 1986...Pearce, Presley, and Cy Williams for the 1926 Phillies are the only players to have hit two walk-off grand slams in the same season (*courtesy of Elias*)...There have been four walk-off grand slams in team history (Steve Pearce – 2x: 7/30/17 vs. LAA and 7/27/17 vs. OAK; Gregg Zaun – 9/6/08 vs. TB, 13th inning; George Bell – 9/4/88 vs. TEX, 9th inning)...On June 15, 2003 vs. CHC, Reed Johnson hit a leadoff home run and ended the game in the 10th inning with a walk-off blast, becoming then just the 4th player in MLB history to accomplish that feat...The most walk-off home runs hit in a single season by Toronto is six, accomplished in 2011 and again in 2019...In 2015, Josh Donaldson set a club record with three walk-off home runs...Cecil Fielder is the only Blue Jay to hit a pinch-hit walk-off home run, which he accomplished on Sept. 4, 1987 vs. SEA (10th inning-solo HR).

WORLD SERIES RINGS

The Toronto Blue Jays commissioned Tiffany & Co., the world-renowned purveyor of fine jewellery, timepieces, and arts of the table to design rings commemorating both their 1992 and 1993 World Series victories.

To commemorate the 1992 Blue Jays victory, the 14 karat gold ring's design features the team's logo: the head of a Blue Jay with a maple leaf on a baseball backdrop. The eye of the bird is set with a solitaire diamond. Sixteen diamonds representing each year of the club's history surround the bird and the maple leaf is enamelled in red to match the team's official colour. The inscription of World Champions 1992 wraps around the bezel. One side depicts the team's name - Toronto Blue Jays - set in two lines across the top. The 1992 World Series logo is set in a maple leaf with the inscription - Canada's 1st - positioned below the logo denoting the first Canadian World Series victory. The other side depicts the player's name and the jersey number, the American League logo and the team's 1992 season attendance record - 4,028,318 - positioned below the American League logo. Each side of the ring is accented with two rows representing the stitches of a baseball.

The 1993 World Series Championship ring features the symbols of the Toronto Blue Jays and Canada. A field of 45 diamonds in a pave style setting surrounds the Toronto Blue Jays' logo: the head of a Blue Jay enamelled in the team's official colours overlapping another Blue Jay in gold. The eye of the Blue Jay is set with a diamond solitaire stone. Two Maple Leafs, enamelled in red, symbolize Canada's back-to-back World Series victories. Two baseballs overlay each other in the background. Each ring is personalized with each player's name and jersey number, and incorporating the American League logo and the World Series logo with the inscription "Back to Back" and the years 92-93.

PITCHERS AT THE PLATE

In 1997, with the introduction of Interleague Play, Blue Jays pitchers took their turn hitting. **Woody Williams** became the first Blue Jays pitcher to come to bat and also had the first hit, a single, in his second at-bat off Curt Schilling on June 13, 1997.

On June 21, 2003 at Montreal, **Mark Hendrickson** became the first Blue Jay pitcher to hit a home run in Interleague play (solo homer off Sunny Kim).

Marcus Stroman made his mark as the only other Toronto pitcher to go deep, hitting a solo home run off Julio Teheran in Atlanta on May 18, 2017. The home run followed up a blast by catcher Luke Maile, forming the first back-to-back home runs by battery mates in the post-DH era (*courtesy Elias*).

2024 REGULAR SEASON CLUB/MEDIA REGULATIONS

The following are Major League Baseball's regulations for Club/Media Relations. They are to be observed by all parties:

1. All accredited press, radio and TV representatives shall have pre-game access to the clubhouse from three hours and 30 minutes prior to game time until one hour prior to game time, except that: (a) the media shall not have access to the clubhouse when the club is on the field for batting practice; and (b) the media may not return to the home clubhouse once the home club has taken batting practice. No club may provide pre-game access prior to three hours and 30 minutes prior to game time. The media shall have access (outside of the clubhouse) to the home club's manager, players or coaches after home batting practice to discuss developments (such as lineup changes, injuries, and workouts) that occur after the clubhouse closes.
2. Absent unusual circumstances that require a team meeting immediately following a game, the working media shall have access to both clubhouses no later than 10 minutes following the final out of each game (including doubleheaders and day/night split admission games). When such unusual circumstances exist, and such instances are expected to be rare, the working media shall have access to the clubhouse no later than 20 minutes following the final out of the game. The Commissioner's Office reserves the right to require access to the clubhouse 10 minutes following the final out of all games if the "team meeting" exception is abused.
3. The working media's access following a game shall be for a period no longer than one hour unless reasonable access to players is not provided during that time; provided, however, that card-carrying members of the Baseball Writers Association of America ("BBWAA") will have unlimited access after the post-game opening of the clubhouse. If reasonable access is not provided, the clubhouse must remain open. Members of the media, other than BBWAA members, may make arrangements with the club PR Director for extended access.
4. Media credentials are not transferable.
5. Clubhouses, the dugouts and the field are off-limits except to appropriate club, Commissioner's Office personnel and media bearing appropriate credentials. Club credentials are not to be issued to unauthorized personnel. The Commissioner's Office reserves the right to revoke inappropriately issued credentials.
6. Players will be available to the media before and after games for interviews. These periods should not be limited except for the pre-game period described in #1 above, and the post-game period described in #2 above. Upon request by the media, players who had key roles in the first game of a doubleheader are to be made available for a time between games.
7. The trainer's room and players' lounge are off-limits to the media, but each club controls these areas, and it is vital these areas not be used as a sanctuary for players seeking to avoid the media. It is very important to our game that ALL players are available to the media for reasonable periods and it is the player's responsibility to cooperate.
8. Ropes or other restraining barriers are not permitted to bar the media.
9. A general code is to be observed by the media so uniformed personnel may do their work unimpeded. Media are to be allowed in foul territory, in an unrestricted manner, in an area that is to be not less than the territory between first and third bases, and which territory includes the area around the batting cage, except the dirt area around the batting cage.

10. Under no circumstances shall any club discriminate in any fashion against an accredited member of the media based upon race, creed, sex or national origin.

11. Physical abuse or threats directed to members of the media (and/or official scorers) by baseball personnel will not be tolerated. Disciplinary action, including fines and suspensions, will be considered in any cases that arise.

12. Visitors in the clubhouse, including accredited media members, should conduct themselves in a professional manner. There shall be no seeking of autographs, no touching or removing of equipment or personal items from lockers, and no sampling of players' food spreads. Clubhouses are work places. Clubhouse business should be conducted as expeditiously as possible with a minimum of disruption of regular game routines. Members of the media should not excessively linger in the clubhouse when not interviewing players. Members of the media who violate the code of conduct set forth in this paragraph shall be subject to sanctions, including the loss of their accreditation as provided for in paragraph 17 below.

While in the clubhouse, members of the media are expected to be doing business. Members of the media are expected to conduct themselves in a professional manner and to respect the privileges and environment of restricted areas and working press areas at all times. Any media member in violation of this conduct policy is subject to revocation of his or her privileges and may be subject to immediate ejection.

13. Live TV and/or radio interviews with uniformed personnel during the course of a game are not authorized or permitted, nor is attaching a microphone to any uniformed personnel permitted without approval from the Commissioner's Office. Microphones may not be placed in or adjacent to dugouts and/or bullpens in a manner that will allow uniformed personnel's remarks or conversations to be overheard during the course of a game without the prior approval of the Commissioner's Office.

14. Live telephone interviews are not allowed from the clubhouse or the field without prior approval of the club. Devices with digital photography capabilities are prohibited.

15. Telephones from both dugouts to the press box are to be maintained in working order for the purpose of providing information regarding special circumstances to the media during the course of a game. Explanations of injuries should be made as soon as possible (to both the media and fans in the stadium).

16. Any club whose personnel violate these regulations will be disciplined. Any member of the media who violates these regulations will lose his or her accreditation.

17. BBWAA members are not required to sign in for clubhouse or other restricted area access but may be logged in by club personnel, subject to individual club policies. Other accredited media may be required to sign in for clubhouse access, subject to individual club policies

As the only sports and entertainment venue of its size and design in Canada, Rogers Centre is one of the most dynamic and versatile entertainment facilities in the world. From music and sport to trade and community events, some of the most iconic athletes, rock stars, entertainers, religious figures, and inspirational leaders have delighted audiences since the stadium's spectacular opening on June 3, 1989.

Formerly known as SkyDome, the venue was renamed Rogers Centre on February 2, 2005. Structurally, the building remains much the same today as it was when it opened in 1989; however, on July 28, 2022, the Toronto Blue Jays announced a multi-year \$300 million privately funded renovation that transformed Rogers Centre from a multi-purpose stadium into a ballpark. This phased project was by far the largest renovation in the building's history, though over the years, Rogers Centre has undergone smaller-scale changes, including widened concourses; updated suites; innovative lighting system; and new video, audio, and broadcast technology.

This impressive technology includes cutting-edge Daktronics video and ribbon boards debuted in 2022, replacing the old system that had been in place since 2005. The 10mm LED videoboard includes an 8,076 square-foot display, with the centre screen measuring 47 feet tall, flanked by two lower wings stretching 258 feet. The 16mm LED ribbon boards are 1,334 feet long, wrapping around the 300 level fascia. With the upgrade, resolution improved 2.5-times to 1080p HD.

The 2022 season also saw the introduction of a state-of-the-art LED Musco lighting system, including brand new backend infrastructure, making Rogers Centre the first Major League ballpark (along with the Miami's LoanDepot Park) to have independent red, green, blue, and amber fixtures, enabling a lighting display of millions of colours and scene options. The previous system was installed in 2011, with original backend infrastructure from the building's opening, and with the new system, hydro consumption was reduced by two-thirds. With more than 2.5 kilometres of fiberoptics and 40,000 feet of copper wire instantaneously controlling 532 LED fixtures (47 colour-changing; four bullpen; and 16 ball trackers), stadium lights can even dance to the beat of music!

Beyond stadium audio and visual technology, the Blue Jays playing surface has evolved substantially throughout its history.

This included a major shift ahead of the 2016 season, with the infield retrofitted from its original state of four separate concrete pits filled with dirt to form each base, to an all-dirt infield. The new dirt infield allows for greater material depth, ensuring the best quality infield surface and more consistency across the league. Now approximately 12,000 square feet, the infield is made up of five distinct layers: the under fill – the existing sand and gravel base below the concrete floor; a two-inch layer of pea gravel for excess water drainage; a four-inch layer of sub-angular sand to manage moisture; six-inches of baseball dirt made up of 60% sand, 20% clay, and 20% silt, processed specifically for baseball fields; and finally, top dressing – a loose layer of calcined and vitrified clay material. The pitcher's mound is constructed on a fiberglass dish that is lowered and raised by a hydraulic system.

The remainder of the field is a permanent AstroTurf® Diamond Series turf system, installed for the 2022 season to improve safety and playability, replacing the previous convertible system introduced in 2015. It was updated again in 2024 as part of the second phase of Rogers Centre renovations and is made up of a Brock shock pad installed over the concrete subgrade, with turf on top made up of three fibres – polyethylene monofilament, slit film, and rootzone fibres – and infilled with subangular sand and granulated rubber.

Rogers Centre's 2022-2023 offseason renovation completely redesigned the Blue Jays outfield to modernize the fan experience and add nuance to how the park plays. The stadium

was one of two remaining MLB venues to have both symmetrical outfield dimensions and wall heights, previously measuring 328 feet down the foul lines, 375 feet to the power alleys, and 400 feet to dead center field, with 10-foot-high walls. The new outfield walls added variations in heights, depths, and angles, creating a distinct and dynamic ballpark character.

While Rogers Centre has evolved into a baseball-first venue, the original engineering was some of the first of its kind. One of the unique original features was the ability to modify the 100 level bowl between two modes – baseball and football – to fit the needs of any event. Prior to the 2023-2024 renovations, the 100 level seats sat on a railway track system that could rotate within hours.

The most remarkable feature, still in use today, is a fully retractable roof converting the ballpark into an open-air venue and rotating back in less than 30 minutes to ensure that no event needs to be cancelled due to inclement weather. The roof system features a series of three moveable and one stationary panel, which takes approximately 25 minutes to open or close fully. The roof weighs 11,000 tons and covers an area of 339,343 square feet, with the highest point standing 282 feet above field level.

Architects Rod Robbie and Michael Allen designed the building and patented its retractable roof system. Preparation of the site began in April 1986, with ground-breaking in October of that same year. The last exterior concrete was poured in November 1988 and the first test of the moveable roof panels was performed in January 1989. More than 10,000 person-years of employment were created with the construction of Rogers Centre.

Legends is the exclusive food and beverage supplier of Rogers Centre.

Conveniently located in the heart of Toronto's vibrant downtown community, at the base of the CN Tower and close to the Entertainment and Financial Districts, the ballpark is easily accessible via the TTC and GO Transit.

TD BALLPARK

The Blue Jays are the only Major League Baseball team to have remained in the same Spring Training location throughout franchise history. Located at the corner of Douglas Avenue and Beltrees Street in Dunedin, FL, TD Ballpark has been the Spring Training home for the Toronto Blue Jays since the club's first season in 1977. It is also home to the Dunedin Blue Jays of the Florida State League (Class-A affiliate).

From 1977 to 1989, the Blue Jays played at Grant Field. The first ever Blue Jays game played there was on March 11, 1977 with the Blue Jays defeating the New York Mets by a score of 3-1. In 1990, the City of Dunedin built Dunedin Stadium at Grant Field for the Blue Jays, increasing the seating capacity from 3,417 to 6,106. The project cost of approximately \$2.4 million, designed by the architect firm Johnston Dana Associates and built by Case Contracting Company.

On September 8, 2000, the City of Dunedin and the Blue Jays reached an agreement to keep the team in Dunedin for a minimum of 15 years. Under the new agreement, major renovations were made to Dunedin Stadium and a new Minor League facility was constructed. The \$12.5 million renovation was shared between the State of Florida, Pinellas County, the City of Dunedin, and the Blue Jays. The renovations to Dunedin Stadium began in February 2002 and were designed by the architectural firm HOK Sports + Venue + Event and built by J.A. Jones Construction. The changes to Dunedin Stadium included a new two-story building beyond the right field wall, which holds the Blue Jays clubhouse, training room, and weight room on the ground floor, with office space for the Major League club on the second floor. The visiting clubhouse was located on the third-base line and the bleacher seats along the right-field foul line were removed in favour of permanent seating. The dimensions of the stadium increased from 315 to 327 feet with a capacity of 5,509.

Construction on the Minor League facility was completed for the 2003 season. The Bobby Mattick Training Center was located on the same grounds of the Englebert Complex. Until 2018, the facility featured clubhouses, offices, a weight room, five full fields, and one half field.

In December of 2018, the Blue Jays announced a partnership between the City of Dunedin, Pinellas County, and the State of Florida for a \$102 million overhaul of the ballpark and Minor League facilities, keeping Dunedin as the Spring Training home of the Blue Jays for another 25 years. The renovation to the ballpark expanded capacity to 8,500 (including standing room only) and featured a brand-new Jays Shop, renovated suites, an air-conditioned bar, a family area, a 360° boardwalk linking each side of the ballpark, an enhanced videoboard and speaker system, and refreshed concession stands and restrooms. On November 4, 2019, the Blue Jays officially renamed the newly renovated stadium TD Ballpark, building on a five-year sponsor relationship announced in early 2019. The grand opening of TD Ballpark took place on February 24, 2020 versus the Atlanta Braves.

The second major piece of the investment included a revolutionary Player Development Complex, featuring three new diamonds, a 10,000 square foot weight room, dedicated Major and Minor League clubhouses, pitching and hitting labs, a 3,000 square foot kitchen, variable depth pools, a sprint hill, and covered agility field. The new facility opened in the fall of 2020, at which point the Bobby Mattick Complex will be turned over to the City of Dunedin.

The largest spring exhibition game crowd in Dunedin prior to the 2020 renovation was 6,218, on Tuesday, March 27, 1990 between the Blue Jays and the Kansas City Royals, and on Wednesday, March 13, 1985 between the Blue Jays and the New York Mets. However, that mark was eclipsed during the 2020 Spring Training Home Opener at TD Ballpark, as 6,335 fans entered on February 24 to see the Blue Jays take on the Atlanta Braves in their newly renovated park. Three years later, as pandemic travel restrictions for Canadian baseball fans dissipated, a new record of 7,011 fans was established when the Blue Jays took on the Yankees for their 2023 Home Opener on February 26.

MEDIA & MISC.

ABDUCT – Movement of any extremity away from the midline of the body. This action is achieved by an abductor muscle.

AC JOINT – Acromioclavicular joint; joint of the shoulder where acromion process of the scapula and the distal end of the clavicle meet; most shoulder separations occur at this point.

ADDUCT – Movement of any extremity towards the midline of the body. This action is achieved by an adductor muscle.

ANTERIOR – In front of; the front surface of.

ANTERIOR CRUCIATE LIGAMENT (ACL) – A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint. A complete tear of the ACL necessitating reconstruction could require up to 12 months of rehabilitation.

ANTI-INFLAMMATORY – Any agent which prevents inflammation, such as aspirin or ibuprofen.

ARTHROGRAM – X-ray technique for joints using air and/or dye injected into the affected area; useful in diagnosing meniscus tears of the knee and rotator cuff tears of the shoulder.

ARTHROSCOPY – A surgical examination of the internal structures of a joint by means of viewing through an arthroscope. An arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of any damage or confirm a diagnosis.

BONE SCAN – An imaging procedure in which a radioactive-labeled substance is injected into the body to determine the status of a bone injury. If the radioactive substance is taken up by the bone at the injury site, the injury will show as a "hot spot" on the scan image. The bone scan is particularly useful in the diagnosis of stress fractures.

CARTILAGE – Smooth, slippery substance preventing two ends of bones from rubbing together.

CAT SCAN – Use of a computer to produce a cross-sectional view of the anatomical part being investigated from x-ray data.

CHARLEY HORSE – A contusion or bruise to any muscle resulting in intramuscular bleeding.

CONCUSSION – Jarring injury of the brain resulting in dysfunction. It can be graded as mild, moderate or severe depending on loss of consciousness, amnesia and loss of equilibrium.

CONTUSION – An injury to muscle and tissues cause by a blow from a blunt object.

DEBRIDEMENT – Removal of non-healthy tissues and foreign material from a wound or burn to prevent infection and permit healing.

DELTOID MUSCLE – Muscles at the top of the arm, just below the shoulder, responsible for shoulder motions to the front, side and back.

DISC – A flat, rounded plate between each vertebrae of the spine. The disc consists of a thick fibering which surrounds a soft gel-like interior. It functions as a cushion for the spinal column.

FEMUR – Thigh bone; largest bone in the body.

FIBULA – Smaller of the two bones in the lower leg; runs from the knee to the ankle along the outside of the lower leg.

FRACTURE – Breach in continuity of a bone. Types of fractures include simple, compound, comminuted, greenstick, incomplete, impacted, longitudinal, oblique, stress or transverse.

GADOLINIUM MRI – The chemical gadolinium is injected into the joint being studied so as to enhance the diagnosis of the structure under investigation.

GLENOID – Cavity of the scapula into which the head of the humerus fits to form the shoulder girdle.

GRADE ONE INJURY – A mild injury in which ligament, tendon, or other musculoskeletal tissue may have been stretched or confused, but not torn or otherwise disrupted.

GRADE TWO INJURY – A moderate injury when musculoskeletal tissue has been partially, but not totally torn which causes appreciable limitation in function of the injured tissue.

GRADE THREE INJURY – A severe injury in which tissue has been significant, and in some cases totally, torn or otherwise disrupted causing a virtual total loss of function.

GROIN – Junction of the thigh and abdomen; location of muscles that rotate, flex and adduct the hip.

HEMATOMA – Tumor-like mass produced by an accumulation of coagulated blood in a cavity.

HYPEREXTENSION – Extreme extension of a limb or body part.

IMPINGEMENT SYNDROME – Pinching together of the supraspinatus muscle and other soft tissue in the shoulder. The most common (throwing) arm injury, which represents many pathologies and generally involves supraspinatus overuse.

INFLAMMATION – The body's natural response to injury in which the injury site might display various degrees of pain, swelling, heat, redness and/or loss of function.

LABRUM (Labrum Glenoidale) – The cartilage of the glenoid cavity in the shoulder. A lip-edge or lip-like structure.

LATERAL – To the outside of the body.

LIGAMENT – Band of fibrous tissue that connects bone to bone, or bone to cartilage and supports and strengthens joints.

MAGNETIC RESONANCE IMAGING (MRI) – Imaging procedure in which a radio frequency pulse causes certain electrical elements of the injured tissue to react to this pulse and through this process a computer display and permanent film establish a visual image. MRI does not require radiation and is very useful in the diagnosis of soft tissue, disc, and meniscus injuries.

MEDIAL – To the inside of the body.

MEDIAL COLLATERAL LIGAMENT (MCL) – Ligament of knee along the medial aspect that connects the femur to the joint.

MENISCUS – Crescent shaped cartilage, usually pertaining to the knee joint, also known as "cartilage." There are two menisci in the knee, medial and lateral. These work to absorb weight within the knee and provide stability.

METACARPALS – Five long bones of the hand running from the wrist to the fingers.

METATARSALS – Five long bones of the foot, running from the ankle to the toes.

POSTERIOR – At the back part, or rear of the body.

POSTERIOR CRUCIATE LIGAMENT (PCL) – A primary stabilizing ligament of the knee that provides significant stability and prevents displacement of the tibia backward within the knee joint. A complete tear of this ligament necessitating reconstruction could require up to 12 months of rehabilitation.

QUADRICEP MUSCLES "QUADS" – A group of four muscles of the front thigh that run from the hip and form a common tendon at the patella; they are responsible for knee extension.

ROTATOR CUFF – Comprised of four muscles in the shoulder area that can be irritated by overuse. The muscles are the supraspinatus (most commonly injured), infraspinatus, teres minor and subscapularis.

ROTATOR CUFF IMPINGEMENT SYNDROME – A microtrauma or overuse injury caused by stress. The four stages are: 1) tendonitis with temporary thickening of the bursa and rotator cuff 2) fiber dissociation in the tendon with permanent thickening of the bursa and scar formation 3) a partial rotator cuff tear of less than 1 cm and 4) a complete tear of 1 cm or more.

SHIN SPLINT – A catch-all syndrome describing pain in the shin that is not a fracture or tumor, and cannot be defined otherwise.

SPRAIN – Injury resulting from the stretch or twist of the joint and causes various degrees of stretch or tear of a ligament or other soft tissue at the joint.

STRAIN – Injury resulting from a pull or torsion to the muscle or tendon that causes various degrees of stretch or tear to the muscle or tendon tissue.

STRESS FRACTURE – A hair-line type of break in a bone caused by overuse.

SYNOVITIS – Inflammation of the synovial lining of a joint.

TENDINITIS – Inflammation of the tendon and/or tendon sheath, caused by chronic overuse or sudden injury.

TENDON – Tissue that connects muscle to bone.

TIBIA – Larger of the two bones of the lower leg and is the weight-bearing bone of the shin.

ULNAR NERVE – Nerve in the elbow commonly irritated from excessive throwing.

ULTRASOUND – An electrical modality that transmits a sound wave through an applicator into the skin to the soft tissue in order to heat the local area for relaxing the injured tissue and/or disperse edema.

NOTE: This list is not meant to be all inclusive, nor should it be used as a substitute for a physician's diagnosis and/or description of an injury or illness.
